ALLIED ATTACK FORCES ROMMEL BACK

RETIREMENT OF SUNER IS SEEN AS ALLIED GAIN

Axis Shows Concern; Likely To Ask Franco for an Explanation.

(Picture on Page 7)

By The Associated Press

The ouster of ardent pro-Nazi Ramon Serrano Suner from the Spanish foreign ministry by his brother-in-law, Generalissimo Franco was interpreted in the United Nations today as a slight lifting of the clouds in that corner of the Mediterranean.

On the other hand, Axis sources showed restraint, and suggested that General Franco is being asked to explain.

A broadcast by the German news agency, Transocean, said no statement concerning the changes was being made by the German foreign office today and that no effort would be made to "anticipate an eventual declaration on the subject of General Franco."

It said, however, that personality sketches of the new members of the cabinet were distributed showing the sympathetic attitude adopted here towards the latter.

Past Reviewed

These sketches recalled that Count Francisco Gomez Jordana, the new foreign minister, was in that post when Spain adhered to the anti-comintern pact, and that Manuel Mora Figueroa, new vice-president of the Falangist party, served for some time in the Spanish blue division with German troops on the western front.

Bern dispatches said German newspapers generally portrayed surprise at the shift, particularly because Serrano Suner had just recently returned from important conversations in Rome and Vatican City.

Scandinavian newspapers attributed his dismissal to Franco's determination to keep Spain neutral.

A British foreign office commentator cautioned that the shakeup should not be scored as a clear victory for allied diplomacy but said it undoubtedly weakened the Axis slightly.

Called Important

In Mexico, Diego Martinez Barrio, former president of the Spanish republican parliament and one of the many Spanish refugees in that country, said the cabinet changes were of "the greatest importance."

But Alvaro de Albornoz, former republican minister of justice, said he believed it was no more than a "political step permitting the Spanish fascist state to maintain its adhesion and identification with the axis and at the same time alleviate its precarious grave situation" with British and American aid.

Spain's position between British guns at Gibraltar and German guns in occupied France, President Roosevelt's proposal of non-war assistance in her reconstruction and traditional bonds between Madrid with Latin American governments now largely arrayed against the Axis were variously cited.

A wait-and-see attitude, however, was adopted by prominent Spanish Republicans refuged in Mexico City.

Suspect Maneuver

Former Premier Indalecio Prieto said he would not be going so far to suspect the shakeup announced in Madrid yesterday was a maneuver to give General Franco time to shape his future policy around the emergence of the new Axis offensive in Egypt.

Another brother-in-law of Franco, Suner himself took over the control of the Falange, the organized political party of Spain.

The fascist ministry went to Francisco Gomez Jordana, soldier-statesman, Nationalist who said the post when the United States recognized Franco's government in 1939.

Alexander Wedell, former U. S. ambassador to Spain, said the shift of foreign ministers might be fairly construed as an indication that Spain "is united with more

Work Progresses on War Aid Depot

Above are the first published camera views of Marion's Quartermaster War Aid Depot where hundreds of workers are pushing construction of a big-scale warehouse and depot for wartime use. At the top is one of the huge open sheds—roofed but with no sides—which are big enough to accomodate several football games simultaneously. Framework of another big storage building is shown second from the top. Third from the top is a concrete block structure that is so long it fades out of sight in the photograph. Below is another view of one of the big buildings. The caterpillar excavator and automobile in the foreground serve by comparison to indicate the size of the huge building. In the foreground also is some of the mud which workers have sloshed through after every rain. The work goes on in spite of weather that would stop most construction projects.

Y. M. C. A. Expanding Aid for Soldiers in Marion

Service Men Make Use of Showers and Other Facilities; Public Asked To Donate Equipment.

Marion's Y. M. C. A. is in the midst of a busy program of providing recreational facilities and other conveniences for the hundreds of soldiers at camp on the Marion Quartermaster War Aid Depot grounds.

To expand the work still more, E. C. Siefert, acting president of the Y board of directors, today announced appointment of George J. Flatman of the Marion-Reserve Power Co. as chairman of a special committee for all Y work with service men. The committee will be organized within a few days.

Already the Y has received a heavy response to its invitation to the men to use the Y shower facilities. On the first day 33 soldiers used the showers, and the number increased to 150 last Sunday—the first Sunday the Y has been open. Sunday work having been arranged as a convenience for the soldiers.

For the first 10 days, an average of 75 men have made use of the showers.

Magazines, books, writing material, cash and theater tickets are among the donations the Y has received from various groups and individuals to turn over to soldiers. One downtown businessman is giving 50 theater passes weekly.

More Equipment Needed

An effort is being made to provide more games, comfortable lounging chairs, small tables, several davenports, a piano, lamps and other equipment to provide the men a better equipped recreation center. Anyone wishing to make donations has been asked by Earl N. Hale, Y secretary, to call his office, 3127.

The Y is cooperating with the campaign of the Marion Council of United Church Women to encourage Marion residents to invite soldiers to their homes for Sunday dinners, along with a drive to encourage the men to attend Sunday church services. Lieut. W. H. Grant, morale officer at the camp, is working with the Y on the Sunday dinner invitation project, and arrangements are being made to set up a clearing house to avoid overlapping and duplication of invitations.

Plan for Invitations

Persons wishing to arrange for soldiers to be their dinner guests may telephone the Y and give their name, address, phone number and the number of men they wish to invite. Arrangements will be made at the Y for the time and place for them to meet the soldiers, and mimeographed "introductory cards will be provided to handle the invitations.

The work being done by the Marion Y is typical of Y. M. C. A. efforts generally to care for service men, Mr. Hale said. The Y. M. C. A. is one of the groups affiliated with the USO.

ASTAIRE COMING TO MARION AFTER ALL

Original Trio Booked for Bond Sale Visit.

The trio of movie stars originally assigned to Marion—Fred Astaire, Ilona Massey and Hugh Herbert—will promote the sale of war bonds here Tuesday, Sept. 15, as a part of the "Stars Over America" tour, it was announced today by George E. Planck, chairman of arrangements.

"The name of John Payne was used in error," a telegram received by Mr. Planck today stated. First announcement of the tour named Astaire as one of the Hollywood trio to appear in Marion and later word was received he would be replaced by John Payne.

The trio will come to Marion from Mansfield and will arrive around 4:30 p.m.

Tickets for the "V" dinner, to be staged in connection with the stars' appearance and in the interest of the sale of war bonds, went on sale late today. The price of the dinner will be $75.50 for which patrons will receive a $100 war bond and a $1.50 dinner, plus the pleasure of dining with the movie stars.

(Turn to ASTAIRE, Page 7)

Union Votes for Ten Per Cent Bond Buying

Members of the Universal Cooler Corporation Local No. 758, U. A. W. of CIO voted in a meeting last night unanimously to put at least ten per cent of their wages into war bonds.

FORMER GOVERNOR LOSES IN CONTEST

Lynch Defeats White for Congressional Nomination.

By The Associated Press

McCONNELSVILLE, O., Sept. 4—Charles W. Lynch, 38-year-old Woodsfield lawyer, today triumphed over former Gov. George White of Marietta and Thurman Hazard, Cambridge bank cashier and political newcomer, in a tight contest for the Democratic congressional nomination in Ohio's 15th district.

After seven tense hours, the party's 12-member district committee about 2 a. m. agreed—unanimously, they said—on the 32nd ballot on Lynch as a candidate.

Committeemen reported that former Governor White, who once represented the district in congress, was eliminated on the 28th ballot. Although White was not present, supporters said he was in Marietta "ready to come here if nominated."

Thus Lynch succeeds to the nomination declined by former Rep. Robert T. Secrest, who was unopposed in the August primary. Secrest, before the primary, resigned from congress to become a lieutenant commander of the navy.

Lynch, chairman of the Monroe county Democratic executive committee, will oppose P. W. Griffiths of Marietta, Republican nominee, in the November election.

A native of Woodsfield, he was Monroe county prosecutor for two terms, 1933-37. he was a school teacher before studying law at Ohio university and Ohio State university. From 1938 to 1940 he was a member of the state Democratic executive committee.

Thirteenth district Republicans also must select a congressional nominee because Rep. A. D. Baumhart Jr. of Vermilion is to enter preliminary training Sept. 10 at Dartmouth college for a commission as naval lieutenant.

RAF Bombers Strike at Northwest Germany

By The Associated Press

LONDON, Sept. 4—A small force of RAF bombers attacked targets on the northwest coast of Germany during the night, the air ministry announced today.

Loss of two planes was acknowledged in the raid, which followed two successive strong attacks on industrial areas of smaller Germany, where Mannheim and Karlsruhe were the chief objectives.

U. S. FIGHTERS TIGHTEN GRIP ON SOLOMONS

5 Jap Ships, 8 Planes and Invasion Supplies Destroyed by Americans.

By The Associated Press

WASHINGTON, Sept. 4—American fighting men steadily strengthened their grip on the Solomon islands today as the battle of the Pacific brought destruction of five Japanese ships, eight airplanes and quantities of invasion supplies.

Indications that constant Allied battering was sapping enemy strength came in communiques from General MacArthur's Australian headquarters and the navy department telling of lack of Japanese aircraft resistance in New Guinea and only "periodic attacks" by small detachments of invaders in the Solomons.

U. S. submarines dealt a severe blow to Japan's supply lines by sinking five enemy ships including a light cruiser, and damaging three more. The newest sinkings reported by the navy yesterday boosted the total of Japanese ships sunk or damaged by American undersea craft to 99 since Dec. 7, 1941.

No Jap Resistance

Absence of Nipponese attempts at interception were noted by General MacArthur's medium and attack bombers in a foray against enemy installations at Salamaua, Japanese New Guinea base, where numerous fires were started.

In the upper Solomons, two Japanese seaplanes were damaged by the Allied bombers at Faisi, fuel dumps were destroyed at Buka and at Kieta Japanese installations were blasted with "unknown results."

In the New Guinea area, MacArthur's communique told of further Allied bombing and strafing of Japanese communications in the Kokoda section, 60 miles east of the Allied base at Port Moresby, and of guerilla fighting about Milne bay where Allied ground troops were mopping up survivors of a trapped band of invaders.

In the southeastern Solomons, the marines bolstered positions won from the Japanese a month ago, the navy said, but small enemy detachments which succeeded in landing there were "being sought out and engaged."

Guadalcanal Operations

American land-based aircraft, operating from the Guadalcanal base, inflicted several hits on ships engaged in landing operations, the navy added, but the extent of damage was unknown.

Japanese aircraft operations, which the navy termed "periodic," included a raid by 18 bombers accompanied by fighters on the American Guadalcanal installations. Three enemy bombers and five fighters were shot down. Damage was reported minor."

An enemy tanker or seaplane tender was bombed by a Flying Fortress off Santa Isabel island and left in flames.

Yank Fliers Hit Jap Forces Hard in Chinese Area

By The Associated Press

American and allied warplanes, swarming across the far Pacific skies on a 3,500-mile "front," were officially credited today with inflicting havoc on Japan's invasion armies from China to the Solomon islands in the South Seas.

In China, a bulletin from Lieut. Gen. Joseph W. Stilwell's headquarters announced that U. S. army fliers scored direct bomb hits on Japanese headquarters at Nanchang, blasted a fleet of 25 big troop-laden junks and probably sank seven Japanese steamers.

"Heavy casualties were inflicted on the Japanese and a number of boats were burned," Gen. Stilwell reported.

"Another flight strafed a Japanese troop train of 12 cars going north of the Kiukiang-Nanchang railway. The train was loaded with army trucks, artillery and horses. The locomotive was destroyed and heavy damage caused to material.

"In the afternoon, American fighters bombed Nanchang in a concerted Japanese area attack. west of the town, many hits were scored, with direct hits on a headquarters and large warehouse.

"There were [illegible] fighters at a concentration of the enemy offensive carried out with the aid of only a single [illegible] Movement [illegible] engaged [illegible] [illegible] [illegible]

Attendance Record Seen At Fair, Ending Tonight

Renfro Troupe To Be Final Feature; 3-Day Crowds Soar to 25,000.

More fair news on Pages 3 and 8).

* * *

The 1942 Marion County fair will close tonight with a program of entertainment by the popular Renfro Valley Barn Dance troupe, which is expected to draw an attendance that will set an all-time record for recent years. The show will start at 8.

Yesterday's attendance, estimated at around 10,000 despite a drizzling rain which started at noon, brought the three-day turnout to around the 25,000 mark. The grandstand was well filled for the afternoon's three stake races and the crowd heard a few brief remarks by State Director of Agriculture John T. Brown, who visited the exposition for a short time.

Director Brown, who was a guest in the judge's stand, spoke immediately after the junior fair parade around the oval.

Praises Young People

He praised young people for "rescuing" some Ohio fairs a few years ago when adult interest was lagging, and complimented the Marion county fair board "for having the courage to go forth and face the difficulties that all fair boards encountered this year."

Director Brown said that putting on a fair always is work but that staging an exposition under war conditions is doubly difficult.

The junior fair parade was made up of the livestock which the young people have been exhibiting, the Pleasant Township band, and L. M. Wickersham's four-horse-hitch show wagon filled with junior fair girls.

Night Program

Although rain last night cut into the attendance for the fast-moving, colorful circus, the grandstand was well filled, fair officials said.

For the show a stage was built onto the track, to bring the performance closer to the grandstand.

The stage will be used for the Renfro Valley show tonight. Admission to the grounds will be 35 cents, including tax, and to the grandstand, 40 cents including tax.

Among the exhibits which drew considerable attention yesterday was the tent where women of the Harding Vocational shop were giving demonstrations of acetylene welding and explaining the women's defense training program. L. H. Ricker, vocational coordinator, was in charge of arranging the exhibit.

REALTORS TO FIGHT SEWER RENTAL FEE

Favor Plant Repairs but Oppose Financing Plan.

The Marion Real Estate Board last night adopted a resolution opposing the city sewer rental fee ordinance, which will be subject to a referendum vote in the November election, and mapped plans to make an active campaign to have it repealed.

The resolution states the board is not opposed to improvements at the sewage treatment works but objects to the city's proposed method of financing the repairs.

It advocates a general tax levy for a limited time as a means of raising the needed funds.

The resolution states the board opposes the sewer rental fee plan "for the reason that it is deemed an unwise and uneconomical method of raising funds

(Turn to REALTORS, Page 7)

SCRAP METAL CRISIS HERE

Newspapers Mustered Into Campaign To Meet Emergency.

By The Associated Press

WASHINGTON, Sept. 4—Representatives of the nation's newspaper publishers accepted the assignment today to undertake a gigantic scrap salvage campaign, spurred by a statement from WPB Chairman Donald M. Nelson that "we're not doing a very good job of winning this war."

Nelson's appeal for the campaign, voiced at a meeting of 200 publishers and editors, was backed by the declaration of R. W. Wolcott, president of Lukens Steel company, that "there are only two weeks' supply of steel scrap in the country in the hands of steel mills".

"Unless a miracle happens, two furnaces are going down over the week-end in Chicago," Wolcott, chairman of the American industries' salvage committee, told the group. "San Francisco is in bad shape, Pittsburgh and Youngstown are in horrible shape."

Unanimous Vote

Walter M. Dear, president of the American Newspaper Publishers association and publisher of the Jersey Journal of Jersey City, N. J., got a unanimous show of hands when he asked permission to name a committee to initiate a plan molded after the "Nebraska plan." This was a three-week campaign, conducted by the Omaha World-Herald, which netted 104 pounds of scrap for every man, woman and child in Nebraska.

Nelson told the newspapermen that many of the new war plants were chewing up material and

Mrs. Grace Parlette Sifritt, Widely Known Marion Lecturer, Stricken

Public Speaker for 40 Years Dies at Home Here; Gathered Lecture Material in World Travels.

Death claimed Mrs. Grace Parlette Sifritt, 75, widely known Marion lecturer, today at 10 a.m. in her home at 378 South State street.

Although critically ill for the last three months Mrs. Sifritt held hopes that she could continue her lecturing and only recently signed a contract to continue as a speaker for the institute service of the travel extension staff at Ohio State university, with which she had been identified for about 10 years. Her last public appearance was in the early spring when she talked in Galion.

Probably Marion's most widely-traveled woman, Mrs. Sifritt had made five trips abroad and had visited every country in the world except those in South America. Her travels for lecture material and to give talks had taken her to all of the 48 states, Canada and Mexico.

Recipient of the art of making her addresses and observations apply to the audiences to whom she spoke, Mrs. Sifritt in the last few years had turned her travel lectures to [illegible] campaign against subversive elements in this country.

[illegible] Tuesday

She was scheduled to speak [illegible] at Ohio State university on that subject. Her strenuous [illegible] in connection with [illegible] groups, against which she felt strongly and spoke strongly, had led to her receiving threatening notes and cards in the last few years.

Mrs. Sifritt's material for her campaign against subversive groups was gathered from many sources and when she spoke she quoted authentic material, named names and cited locations. A reporter who attended an American Legion meeting here more than a year ago, months before Pearl Harbor, at which she was the principal speaker, talked with her afterward. She expressed amazement that people in this country had not awakened to the danger in their midst and said she intended to continue her own campaign in the face of any and all threats.

Planned Trip Abroad

About a year ago, when European travel began to be restricted, Mrs. Sifritt expressed the hope that she could go abroad again soon, because she felt she was becoming "stale" in her knowledge of European political background. She fully intended, at the end of World War II to make another trip to foreign countries to personally gain material for lectures dealing with the political changes brought about by the conflict.

Her last trip abroad was made

U. S., BRITISH PLANES POUND FOE IN DESERT

Russians Report Nazis at Suburbs of Stalingrad in Violent New Thrust.

By The Associated Press

Field Marshal Erwin Rommel's armored columns, jolted by terrific allied fire-power, were reported to have fallen back in the battle of Egypt today under another record-breaking assault by British and American warplanes.

A British communique said the main axis forces had retreated slightly westward.

On the Russian front, Nazi headquarters asserted that German troops had fought their way to the western suburbs of Stalingrad, and Tass, the official Soviet news agency, acknowledged that fighting was in progress on "the immediate approaches" to the big Volga steel city.

Dispatches to Red Star said battles "without precedent in violence" were raging on the northern and southern approaches to the city as Gen. Fedor von Bock threw 25 divisions or upwards of 375,000 troops into a climatic assault on the key city of Stalin.

"The Hitlerites' tank columns, decimated in previous engagements, have been considerably replenished," Tass said.

German planes were reported attacking the city regularly in waves of 150 or more.

In the Caucasus, Hitler's field headquarters said, German troops crossed the Kerch strait between the Crimea and the Caucasus mainland and now are attacking Russian defenses on the Black Sea coast.

Better Picture in Egypt

Against the steadily darkening plight of Russia's armies, the situation in Egypt was markedly improved.

A bulletin from British imperial G. H. Q. said British forces exerted strong pressure on the enemy all day yesterday in the southern sector of the 35-mile El Alamein front, 80 miles west of Alexandria.

"The enemy's main concentration moved slightly westward during the day," a communique said.

"Allied light bombers broke their previous day's record of sorties against enemy concentrations. No enemy dive-bombers operated over the battle area."

No allied bombers were lost, the British command said.

The communique indicated that U. S. army and RAF fliers, coupled with allied ground forces, had won at least the first phase of the new five-day struggle by compelling Rommel to draw in his steel-tipped horns.

Supplies Under Attack

Dispatches from the front said the Axis chieftain had moved up vast supplies for his offensive—including a 10-day supply of gasoline for his armored columns—and that allied planes now were keeping the supply dumps under an almost incessant hail of bombs.

Italy's high command gave a conflicting version of the battle, asserting that "encounters by armored elements have resulted to our advantage," and making no mention of an Axis retreat.

"The enemy lost a number of tanks," the Italian command said. "Numerous New Zealanders have been taken prisoner."

The fascist communique also declared that 25 Allied planes had been shot down by German and Italian fighters.

British military observers warned against too much optimism as a result of Rommel's withdrawal, pointing out that the battle was still in its preliminary phases with both sides jockeying for position.

The Axis chieftain, they said, has not yet suffered crippling losses and there was no indication he was trying to avoid a showdown.

Possible Switch to Russia

Other reports suggested that Rommel may have been forced to call off his offensive, at least temporarily, by the withdrawal of his aerial support to the Russian front. In Moscow, a military spokesman said large Nazi air forces had been moved to the Soviet battle theater from the Mediterranean and western Europe.

The spokesman quoted captured German fliers as saying many airfields in the west now had only dummy planes as whole squadrons were shifted to replace staggering losses in the east.

Masses of German infantry and

SIGNAL CORPS MEN TO VISIT MARION

To Interview Persons Interested in Civilian Positions.

Applicants for civilian positions as junior repairman trainees in the U. S. Signal Corps will be interviewed Saturday from 1 to 4 p. m. in the Marion office of the U. S. employment service at 163 East Center street.

Lieutenant Huston of the signal corps and Robert K. Dean, representative of the U. S. civil service commission, will conduct the interviews.

Persons who have had training or experience in the field of radio have been urged to contact the two men at the office. Those selected for employment will be given an intensive training course, during which they will be paid $120 a month. Upon successful completion of the course the trainees will be eligible for better positions with the signal corps.

Preference will be given to men with a 1-A draft classification, who will be given an opportunity to enlist in the Signal Corps enlisted reserve.

Persons interested may apply if they have had experience as follows: Amateur radio license; six months paid experience in technical radio work; two years of high school training in electricity or radio; six months technical radio course; one year study in radio; state or civil defense training course in radio or a corresponding course in radio approved by the public education system.

UNION CO. TO GET 48 U. S. GRANARIES

For Use in Storing Unusually Large Soybean Crop.

Special to The Star

MARYSVILLE, Sept. 4—Union county farmers are to be benefitted in storing the prospective soybean crop with the erection by the Commodity Credit Corporation of 48 small granaries, the majority of which will be placed on the Union county fairground.

Part of the material for the storage buildings already has been received and construction is expected to start within a short time, Watt M. Treese, Richwood, county chairman of the AAA announced.

Forty-two granaries of 1,590-capacity have been alloted the county. In addition, four of 660-bushel capacity already have been received. They will provide storage space for close to 70,000 bushels of grain.

The storage is expected to provide a remedy for the soybean crop to be harvested this fall which is expected to be the largest in the history of the county. With a 30 per cent increase this year, it is estimated that Union county farmers have 25,000 acres of soybeans in production.

QUESTION OF 18-19 DRAFT DISCUSSED

Reynolds To Seek War Department Statement.

By The Associated Press

WASHINGTON, Sept. 4 — Chairman Reynolds (D-NC) of the senate military affairs committee declared today he would ask the war department for a formal recommendation as to the necessity of drafting youths of 18 and 19 into the armed forces.

Reynolds told reporters he would be guided "by the decisions of our military leaders" in his consideration of a proposal, introduced yesterday by Senator Gurney (R-SD), to lower the minimum induction age from 20 to 18 and to tap a reservoir of upwards of 2,000,000 men.

Gurney's proposal, offered as an amendment to the selective service act, was referred to the military committee. Reynolds said he would send it to the war department immediately for "its study and recommendation."

Gurney told the senate that the United States should go into the younger brackets for soldiers "with a view of giving them sufficient training and adequate physical upbuilding to equip them to meet the enemy, particularly Germany, whose youth Hitler trains almost from the time they are babes in arms."

Senator Bilbo (D-Miss) argued it was better to draft married men, for whose dependents he said congress "has provided generously" than to send "tender-age" youths into combat.

Reynolds told reporters he felt "we should place our confidence in our military leaders who know more about how many men we need, when we need them and where we need them.

"If the war department says we have to have 18 or 19-year-old youths, I am going to follow their recommendations, realizing that they are in a better position to judge military needs," he said.

He said he would agree to hold hearings on Gurney's proposal, but preferred that they be conducted by the full committee, rather than a subcommittee, "in view of the vast importance of this issue." He added it would be a couple of weeks before a full attendance could be assured.

MRS. SIFRITT

(Continued from Page 1)

in 1928 when she and her brother, the late Ralph Parlette who was a widely known lecturer, publisher and author, made a world tour.

An inveterate reader of all kinds of source material, she was constantly clipping and filing articles, paragraphs and items of all kinds, which she used in preparing the three new lectures which she had at her command every year. Stands and tables in her home library always were filled with the latest publications of a wide range of subjects.

Lecturer for 40 Years

Mrs. Sifritt's career as a lecturer covered some 40 years, beginning with her ardent interest in mission work, which continued throughout her life. For years she was a lecturer in Sunday school work and from about 1912 to 1918 she gave travel lectures on the Lyceum and Chautauqua circuits.

When the Near East Relief association was organized at the close of the first World war, and millions of dollars were needed to carry on the work among children of the Near East, Mrs. Sifritt went abroad for her material, returned home and gave a series of talks which were among the factors leading to public contributions of more than enough funds to finance the work.

In missionary work one of her chief joys was her "little red box" of the Epworth Methodist church primary department of which she was superintendent for many years and at the time of her death. Funds from the box went to missionary work in Africa, Japan and India, Puerto Rico, China, Korea, New Mexico and many sections of the United States.

Saw Missions In Action

Several years ago Mrs. Sifritt said that the biggest thrill of her years of travel was experienced when she came upon the department's church in India and read over the entrance "Erected by the Children of the Epworth Primary Department."

The story of the "Little Red Box," which first appeared in The Star in the fall of 1933 and then in the Christian Advocate, has been syndicated by the Methodist church.

Mrs. Sifritt was the daughter of Rev. John Parlette, a native of Ohio, and Alice Thomas Parlette, a native of Baltimore, Md. She died here in the home of Little Sanctuary on Jan. 5, 1937.

Rev. Parlette a Methodist minister who served many churches, including Ada, Lima and Clyde, was particularly interested in the Wyandot Indians of northern Ohio, and is credited with being the founder of Lakeside, nationally known Methodist summer resort on Lake Erie.

Brother Widely Known

Mrs. Sifritt's brother, Ralph Parlette, was internationally known as an author and one of the widely traveled lecturers. He was graduated from Hiram college, Hiram, O., and received honorary degrees from Hiram and Ohio Wesleyan university. He was also a member of the Phi Beta Kappa fraternity.

Besides her brother, Mrs. Sifritt is survived by a niece, Mrs. Lucile Berger of Cleveland and one grandchild, Ralph Parlette Berger of Cleveland, also.

Her husband, Frank Sifritt, to whom she was married in February of 1897 in Marion, died on Dec. 6, 1930.

Besides her membership in Epworth Methodist church, which she was virtually life'ng, Mrs. Sifritt was a charter member of the Woman's Society of Christian Service and was the first president and a life member of the Research club of the Marion County Federation of Women's clubs.

Friends may call at the Schaffner-Denzer Co. funeral home on East Center street after 7:30 Saturday night.

The funeral will be conducted Monday at 10 a. m. in the funeral home by Dr. S. M. Ingmire of Epworth church. Burial will be made in Marion cemetery.

YOUTH GROUP TALKS ON ALLIED VICTORY

Assembly Learns Adults Don't Know Answers Either.

By The Associated Press

WASHINGTON, Sept. 4—Some 300 youths from all parts of the globe carried one consolation back into the hectic sessions of the International Student Service assembly today as they continued discussing plans for an Allied victory and programs for a post-war world.

They found out last night that the first lady of the United States, one of its chief war production officials and a leading university president admittedly don't know all the answers either.

After hearing Mrs. Franklin D. Roosevelt, WPB Vice Chairman William L. Batt and President Frank Graham of North Carolina university discuss current and future problems, the delegates bombarded the trio with questions.

The probed Mrs. Roosevelt's suggestions for a "people's century" which she envisioned for the future of a peaceful world. They asked how "an India, under British rule, would fit into such a world," and whether world-wide racial prejudice could be sufficiently eliminated to make such a program feasible.

Mrs. Roosevelt, bobbing up and down from her chair as her name was called, replied that any nation "which gives to its people the right of government" should participate in the post-war program, that racial prejudices were fast being overcome and that "education of the world towards such a goal is in the hands of you young people and your generation."

Batt said many such questions could be considered and answered better "after we have won the war."

Dr. Graham said the students could best answer the question of "what are we fighting for?" by taking mental polls of the probable comparative results of "a Hitler victory—or our victory."

The 365 delegates, representing 56 nations either Allied or friendly to the United Nations, applauded lustily when the President's wife said that "each government" in the post-war world "should be the kind the people of that lands wants, no matter where it is."

COURT ADJOURNS
CLEVELAND, Sept. 4 — The Brooklyn village hall is surrounded by fields containing ragweed—and so a trial was "deferred indefinitely" today by Mayor Orwell Krenge. Both Mayor Krenge and defense counsel suffer from hay fever.

Collapsible rubber decoy ducks weighing only five ounces which expand and fill themselves with air when thrown on water, have been invented by two Salt Lake City hunters.

When a new paint is sprayed on any surface it dries to show veins resembling marble.

CUT OUTPUT OF NEWSPRINT

Canada Acts To Conserve Manpower and Use of Electric Current.

By The Associated Press

OTTAWA, Sept. [illegible] and changes in the [illegible] Canada's largest exporting [illegible] ry to the United States [illegible] furnishes [illegible] of the wartime [illegible] used to the [illegible] print [illegible] production and [illegible] paper on which newspapers are printed.

Canada is the source of nearly three-quarters of the U. S. supply of newsprint.

As explained by Donald Gordon, chairman of the board, the means concentration of production of newsprint in those plants and areas where it can be done with the least interference with Canadian war production.

Thus Canada has placed newsprint as the first non-war industry to undergo concentration of certain selected plants. It is adopting the program of keeping civilian industry going which has been widely used in England and which has been announced by Donald M. Nelson, chairman of the war production board in Washington, as on the way for the United States.

Big Power User

The newsprint industry is not only a large user of manpower, but also consumes 40 per cent of Canada's electric power.

The board's announcement of bringing newsprint under allocation, issued Wednesday, pointed out that the current demand for newsprint paper is such that the industry is operating on the average at only about 65 per cent of capacity.

It is proposed, therefore, to shut down or curtail mills where man and electric power are needed, and speed up mills in areas where labor and electricity are less vital to war industry.

By this method, it is expected that the American demand for the newsprint will be readily met, at least for some time to come.

A dominion official, who declined to be quoted, said newsprint, as well as other wartime problems, had been taken up with Washington officials during regular discussions.

Problem of Transportation

The only problem affecting newsprint supply which has come to light in the United States has been a possible one of transportation. E. W. Palmer, deputy chief of the printing and publishing branch of the war production board, issued a statement August 22 urging publishers to study means of meeting their requirements "with the least possible strain on transportation."

The men actively engaged in [illegible] Power Deal Fails

He asserted negotiations to obtain more power for Ontario from Quebec had been unsuccessful and he [illegible] and complained [illegible] long [illegible] the tonnage from the [illegible] mill went to Quebec Mills [illegible] the larger of two mills operated by the company [illegible] ed by the Chicago Tribune. The Daily News [illegible] It is expected [illegible] will be reserved for some of the mills in the St. Lawrence valley area because of power needed there for Canada's huge aluminum production.

An area calling for larger production is eastern Ontario, which has many of the upper Lake Superior country. Ontario Paper company's smaller mill, however, at Cornwall, 70 far north on the St. Lawrence, operates its own power and is out of the war industry area. Also, its ships which take away its paper bring aluminum ore into the St. Lawrence, by way of the Hudson river, Erie and Oswego canals, and Lake Ontario.

WALDO SCHOOL OPENING
The Waldo school will have a full day's session on Tuesday, Superintendent Clyde F. Forry announced. Classes will begin at 9 a. m. and be dismissed at 3 p. m.

Wartime Motif Prevails in Style Show at Fair

Entries By School Home Economics Girls Follow Practical Trend in Materials and Design.

By EDNA S. DUTTON

Home ... girls of Pleas... LaRue, Green ... and ... schools staged a ... yesterday afternoon in the ... hall as a part of ... in the 1942 Marion County Junior Fair.

Each ... with the times ... were cottons and ... leaves, and styles ... tempo, simple, ... around-the-clock ... A ... gallery, in... and friends of ... pupils, at... which was ... Horace A. Howser ... judging was ... and design, color ...

... with 17 models ... entries, and LaRue ... with 11 garments en... ... five entries ... three each from ... and Agosta. The ... from Agosta were ... model.

Skirts, Blouses Favored

... were presented and ... announced by Juanita ... of Pleasant, and Helen ... from Claridon school. Home ... is a year-round pro... in the schools and some of the models were made early in the school year. Skirts and blouses against the favor of the pink cotton received the nod for materials this season and many clever models were shown in the group.

The show opened with a styling of skirts for high school wear. First place went to Marilyn Johnson of Green Camp whose costume was a blue and white ensemble with a linen blouse, and second honors went to Helen Key of Claridon with a plaid skirt and yellow sweater. Third place went to Doris Daniels of LaRue, fourth to Louise Yeager of Pleasant and fifth to Marie Parker of LaRue.

Jumpers were shown by Norma Jean Long and Juanita Augenstein, both of Pleasant. First place went to Miss Long, whose costume was a beige combination and second to Miss Augenstein with a blue costume stitched in white and button trimmed.

Cotton Dress Winner

The two entries in cotton dresses for students of the Home Economics I were Dorothy Hedges in a pink and blue costume who took first place, and Hazel Laucher wearing a blue and white check dress, second. Both are from Pleasant. First place in the showing of cotton dresses made and modeled by girls in Home Economics II went to Alice Adams of LaRue in a button trimmed plaid costume of brown, with white, green and other shades. Marilyn Johnson of Green Camp placed second and Louise Yeager of Pleasant, third. Cotton dresses in the home economics III showing placed as follows: Marilyn Hedges of Pleasant, corduroy with white collar and cuffs, first; Marie Parker of LaRue, red and white jacket suit, second; Sarah Jane Gracely of Agosta, blue corduroy, third; Helen Key of Claridon, fourth; Doris Daniels of LaRue, fifth; Alice Price of Claridon, sixth. Miss Gracely also modeled a peach colored cotton evening dress in this class.

Silk And Rayon

In the silk or rayon showing for students of Home Economics I, Helen Gorenflo of Pleasant was the only model. Her selection was a green costume trimmed with brass buttons. In the same class, but for Home Economics II students, the judge's selections were: Alice Adams of LaRue, print in brown and green, first; Wanda Martin of Pleasant, green dress with insertion trim, second; Mary Stansberry of LaRue, third; Martha Lust of Pleasant, fourth. Silks or rayons for Home Economics III, the only model was Hazel Shuey of Claridon, who wore a wine colored dress with a white collar. Only one model was shown in the active sports wear and this was won by Juanita Augenstein of Pleasant whose selection was a cotton dress with a white background and yellow and purple designs.

Martha Lust of Pleasant in a gold and brown ensemble was awarded first place in the wool dress or suit showing; second place went to Alice Adams of LaRue, with a blue and beige ensemble, and third to Alice Price of Claridon.

Jacket Entries

Jackets were modeled by Marilyn Johnson of Green Camp whose costume was a red jacket and blue skirt, and Sarah Jane Gracely of Agosta, who wore her peach evening dress and a dark evening jacket. Miss Gracely's costume won first place and Miss Johnson second.

Entries for seventh and eighth grade pupils were dresses, jumpers and skirts. Showing dresses were Betty Lou Parker of LaRue, whose pink flowered dress was given first place, Ruth Yeager of Pleasant, who chose pink and white, second; Helen Yeager of Pleasant, third, Joan Baldauf of Pleasant, fourth, and Mary Hayes of LaRue, fifth. Ruth Yeager of Pleasant was the only entry in the jumper classification, and Betty Lou Parker of LaRue, in skirts.

Many of the models were A, B and C winners in the judging of the home economics displays earlier in the week.

The style show for girls of the 4-H clubs was held this afternoon.

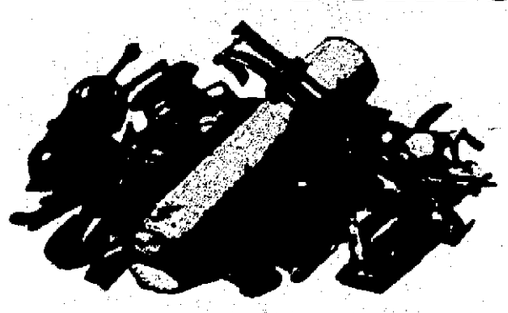
Get the iron out of your basement now!



Half of every tank, gun and ship is made from scrap iron and steel

Put your Scrap out—to be picked up September 11th
Watch for Junk Round-Up Announcement Ad—September 9th

Unless the citizens of America respond at once, the war production program can bog down for lack of steel and other vital materials.

Even in peacetime, scrap provided about 50% of the raw material for steel.

It may be rusty, old "scrap" to you, but it is actually *refined* steel—with most impurities removed. In the steel mills this precious "scrap" is remelted with pig iron to produce the steel which goes into our machines of war.

Many steel furnaces are working from hand to mouth. Others are faced with shutting down. All need great mountains of reserve scrap to see them through the fall and winter months.

Steel production has gone up . . . *up* . . . UP! America is now producing as much steel as all the rest of the world combined. But unless at least 6,000,000 additional tons of scrap steel is uncovered promptly, the full rate of production cannot be attained or increased; all the tanks, guns and ships our country is counting on cannot be produced.

We can be thankful that there is enough Scrap in this country to see us through—Scrap a once wasteful nation is turning to in time of stress. It all depends on you to collect it and turn it in.

It is the greatest "*Treasure Hunt*" in history. Appoint yourself a committee of one to search your attic, your basement and your garage, your barnyard, your factory or your store.

Then give your pile to a charity or collection agency—or sell it to a Junk dealer. The Junk which you collect is bought by industry from scrap dealers at established, government-controlled prices.

Throw YOUR scrap into the fight!

HOW TO TURN IT IN—Sell it to a Junk dealer . . . Give it to a charity . . . Take it yourself to nearest collection point . . . or consult your Local Salvage Committee . . . If you live on a farm, phone or write your County War Board, or consult your farm implement dealer.

NEW SHIP JOINS FLEET; SEEN AS THREAT TO SUBMARINES

The Curtiss-Wright corporation announced, through its general manager, J. A. Williams of Columbus, that its Seagull flowers taking off from rough water during a test flight and joined the U. S. fleet in active service. The plane can be operated from shipboard by catapult or from shore bases by wheel gear. It is a long cruising range and light bomber. It is expected to be a threat to enemy submarines.

COLUMBUS-MADE U.S. PLANES IN SERVICE

"Eyes of Fleet" Ships Rolling Off Assembly Lines.

By The Associated Press

COLUMBUS, O., Sept. 4—The new Seagull, a scout-observation plane now rolling off the assembly line of the Curtiss-Wright Corp. here, has gone into active service with the U. S. fleet, the corporation announced today.

Called the "eyes of the fleet," the ship can operate either from land on wheel gear or by catapult operation from battleships and cruisers, using floats for landings.

It is faster than the navy's other scout-observation planes, and has its long cruising range and ability to carry light combat [illegible] in the fight for submarines.

Hardin County Youth Gets Top F.F.A. Honor

Special to The Star

KENTON, Sept. 4—Giles Koehler, 20, son of Mr. and Mrs. Walter Koehler of route 4 of Kenton near Mt. Victory, a farm of Hardin County, has been named this year to receive the coveted American Farmer degree, highest honor that can be bestowed upon any Future Farmer of America. He will be elected when the national F.F.A. convention is held in Kansas City, Mo., on Oct. 26-27-28.

Koehler joined the select company of three other Hardin countians—Robert Mallow of Kenton, Robert Kahler and Larry Zehner of Dola. He was chosen for the honor on the basis of scholarship, leadership, farming projects and [illegible] activities. In his farming program he specializes in raising pure bred Poland China hogs.

Former Galion Resident Dies in Pennsylvania

GALION, Sept. 4 — Funeral services were to be held today in Turtle Creek, Pa., for Earl Ocker, former Galion resident who died Wednesday at the Veterans' hospital in Aspinwall, Pa.

Mr. Ocker was born in Galion the son of Mr. and Mrs. Allen Ocker. He served overseas in the first World war. Surviving are Mrs. Carrie Ocker and daughter, Olive, of Galion, a son, Allen Ocker, and a brother.

New Officers Selected by Mt. Gilead Legion

MT. GILEAD, O., Sept. 4 — Ernest Rinehart was elected commander of T. P. Johnston post of the American Legion Wednesday. Oscar Lepp was elected vice commander.

Other officers are Herbert Terry, second vice commander, H. D. Schoonover, finance officer; Salem Royston, chaplain; William McManus, sergeant at arms; and Wesley Masters, historian.

The executive committee includes W. E. Peters, Harold McCammon and Al Coleman. Charles Helman was elected trustee for three years.

Four teams of the Huber Mfg. Co. bowling league opened their loop campaigns last night at the Palace Recreation center with triple victories over other Huber teams. The three game winners included Huber 12 Ton, B Mower, Combine and Huber 5 Ton teams. Miss Helen Engeroff's 518 series was the top three game total. Mrs. P. Snyder had a 463 series for second honors. High single game scores included Roseberry 204, Jean Snyder 156, P. Snyder 155, 170 and 158, H. Engeroff 178, 187 and 153 and M. Thompson 160.

Four games over 200 were rolled as the Business Men's league got underway on the Palace drives. Ray Pinney rolled games of 245 and 211 for both one and three game honors. His total for three games 589. Other 200 or better scores included: Schlagenhaur 211, Simpson 203 and Deibert 201. Isaly's and Cleo Cola won three straight games to share the early season lead.

Complete scores and standings for both the Huber and Business Men's league follow.

Additional Mass To Be Held at St. Mary

Beginning Sunday there will be an additional mass at St. Mary Catholic church, the pastor, Rev. Father William J. Spickerman, announced today. The extra mass will be celebrated at 11:30 a. m. Other hours are 6, 7:30, 9 and 10:30 a. m.

SCRAP METAL

(Continued from Page 1)

producing armament at a greater rate than had been though possible.

"We must get them the material," he asserted, "and one sure way is to bring out the scrap."

Nelson said an all-out salvage effort would have to include abandoned railroads, old bridges and old buildings.

"We are going to have to take bridges which may be or may not be used," he added, "but we won't take bridges or tracks that are useful to the war effort."

Lieut. Gen. Brehon Somervell, chief of the army services of supply, reported that arms production schedules for September and October were so great as to exceed the capacity to provide materials, and that schedules in the months following would be much heavier.

"We haven't won this war yet and we'll be a long time winning it," Somervell said. "This time it's not a question of 'how long,' but 'if.'"

The job of the newspapers, said Vice Admiral S. M. Robinson, chief of the navy's bureau of procurement and material, is to "shock the people into a realization of our true state of affairs," and to prove that the salvage campaign "is no boondoggling gesture to build synthetic morale."

"If the people are not convinced your headlines may tell them how we finally arrived, only to find that we had come with too little and too late," Robinson concluded.

A minimum of 17,000,000 tons of iron and steel scrap must be rounded up in the last six months of this year to prevent the steel industry's furnaces from shutting down, it was estimated by Paul Cabot, deputy director of WPB's conservation division.

War Plant Little Theater Group Selects First Major Production

"The Black Ace" Chosen by Powder Keg Players; 25 Attend First Meeting at Y.

More than 25 persons attending the first meeting of the Powder Keg Players Thursday night at the Y.M.C.A. learned that their first major production would be the mystery drama, "The Black Ace," by Kurtz Gordon.

Following the reading of a five-minute play by Peg Gasparek and Joe Klef, "It Sometimes Happens," the group decided to select the director for the major production through an open competition centering around the two-character, five-minute plays. The trials will be spread over a two-week period, Frank Tunison, chief of production, said.

Dolph Veatch is to direct and cast "The Baggage" while Mr. and Mrs. Tunison will present the sketch play "On the Way Home" at the next meeting at 8 p. m. Thursday at the assembly room.

Tentative plans call for Ann Kennedy to direct a short studio play, "Outwitted" at the third meeting.

Bucyrus Woman Present

Mrs. T. J. Aspell, little theater director from Bucyrus, was present and expressed her interest in the formation of the group.

More than 200 questionnaires bearing ample evidence of the availability of talent and interest in the theater group were returned to Tunison after they had been distributed among war plant workers.

All officers of the group except Dorothy Dury were present. Edwin Slagle, presided.

A tentative casting committee was named as follows: Pauline Doran, Ann Kennedy and Dolph Veatch. Becky Campbell was named business manager.

Members of the board of directors to hold office for six months were introduced to the group as follows, Edwin Slagle, president; J. A. Van Briederode, vice president; Clyde Seebach, senior administrator; Dale Mackan, junior administrator, Lillian Moser, public relations, Avis Landon, recording secretary, Dorothy Dury, treasurer.

Purpose Outlined

Slagle outlined the purpose of the group as a means of recreation and relaxation from the mental and physical strains induced by war work with profit derived to go to such war efforts as the Marion Canteen and the USO.

A board of directors meeting has been called for 8 p. m. Tuesday at the home of Mr. and Mrs. Hubq Briers of 227 Wallace street. Plans will be made for following meetings.

Membership will be limited temporarily to employes of the Scioto Ordnance plant companies and their families but Marionites will be welcomed to any gathering of the group, Slagle said.

GETS CONTRACT

After playing small roles in nine Hollywood pictures, Janis Carter (above), of Cleveland, has been signed to a Hollywood contract by Producer Hunt Stromberg, who said he intends making a singing and dancing star of her within a year. She got her start by winning an audition for the Metropolitan opera several years ago.

Kansas was first settled in 1827, became a territory with a part of Colorado in 1854 and was admitted to the Union Jan. 29, 1861.

Even boys and girls are mobilized in Britain. Seven out of every 10 between the ages of 14 and 17 are doing war work.

In British Guiana, a tributary of the Karanang river drops over a precipice to a ledge 1,400 feet below.

El Salvador, with an area of only 13,000 square miles, is the smallest country on the American continents.

NAZIS BREAK THROUGH STALINGRAD DEFENSES

Moscow reported that German tanks had effected a breakthrough deep into the defenses southwest of Stalingrad and that the enemy-wrecking tanks directly against the Russian fortifications above a deep wedge into the Red defenses north of the city. Moscow admitted the situation was more desperate than at any time in the week-long German assault on the Volga city. Lined area is Germ-held.

Girls Missing At Fair Back Home Today

Two Marion girls, ages 9 and 10, whose parents asked police to aid in search for them when they failed to return home after attending the Marion county fair Thursday, were back home today.

Police said they were notified the girls had returned home after spending the night on the fairgrounds. They had been missing since Thursday at 4:30 p. m.

THE WIND IS WHISTLING AMONG THE SPINES

From News of Other Years

TEN YEARS AGO.

It was Sunday, Sept. 4, 1932.

Rev. Carl V. Roop was returned as pastor of the First United Brethren church in the annual conference which closed at Fostoria. In the Nazarene church conference, closing at Columbus, Rev. J. E. Davidson was returned to the pastorate of the First Nazarene church in Marion.

A daughter, was born to Dr. and Mrs. Kenneth D. Smith of Elmwood drive.

Miss Marie E. Meyers and John H. Engelhorn, both of Galion, were united in marriage at the United Brethren church in New Winchester by Rev. T. O. Cogan, pastor of the U. B. church at North Robinson.

William Wilson, 54, died at his home near Mt. Gilead.

TWENTY YEARS AGO.

It was Monday, Sept. 4, 1922.

A son was born to Mr. and Mrs. Harry R. Utan of near Caledonia and daughters to Mr. and Mrs. John R. Prayer of near Mt. Gilead, Mr. and Mrs. Leo Hansen of Congress street and Mr. and Mrs. A. M. Ireland of East George street.

Mr. and Mrs. W. C. Phillians and Mr. and Mrs. O. G. Ealing and daughters Viola and Hazel returned from a visit to Lakeside and Port Clinton.

Mrs. Mamie Leavens and Little Miss Helen Calvert returned from a visit with Mrs. Leavens' brother, David Sutton, of Kirksville, Mo.

Marion had a Labor Day celebration including a parade through the downtown area headed by C. A. Clawson, marshal and Baker's Band. Following the parade there was a program at Lincoln park. The principal speaker was George A. Doyle of Indianapolis, grand lodge representative of the International Association of Machinists.

RELIEVED OF DUTIES

Col. Dache M. Reeves (above), commanding officer of the First Air Ground Support Command, has been relieved of his duties at Mitchel Field, N. Y., along with Major Lynn Farnol, public relations officer, it was announced. The action followed a press release purporting to show ground markers laid out by saboteurs and discovered by fliers.

REALTORS

(Continued from Page 1)

necessary for the improvement of the sewage treatment plant and for the reason that the ordinance provides an opening wedge for permanent and increasing taxation."

It also provides that "this board go on record as favoring the accomplishment of needed repairs to the sewage treatment plant and the passage of a sufficient levy for a limited time as being the proper method of affording the necessary funds for the said improvements."

The action was taken at a special meeting of the board last night in the Chamber of Commerce office with Henry P. Drake, vice president, in charge.

During the discussion period, Walter Moore, Marion attorney who has represented a group of property owners opposing the sewer rental fee plan, spoke in opposition to the fee.

In the discussion that followed, members declared the sewage treatment plant operation should no more be financed out of a special revenue measure than the fire department or police department. They described it as one of the fundamental services a community must supply and not a special service such as the garbage and rubbish collection department.

A committee will be set up to handle the board's campaign for repeal of the rental fee ordinance. The city is holding up action on the sewer rental pending the outcome of the November vote.

ASTAIRE

Appearance of the stars here is a part of the nationwide billion dollar drive during September, "Salute to Our Heroes" month.

Japan Refuses To Let Red Cross Send Ship

By The Associated Press

TOKYO (From Japanese Broadcasts, Sept. 4—Domei said today the government refused the American Red Cross permission for a chartered neutral ship to bring supplies to American war prisoners because "Japan could not permit free and uninhibited American collection of information in areas of war operation as such a voyage would render possible."

The news agency said the Tokyo government had advised the American Red Cross, through the International Red Cross organization at Geneva, that Japan "is giving American war prisoners and internees fair treatment in accord with the principle of international law. Hence the government does not recognize any special need for additional comfort and relief."

It added that the government had no objection to American use of a second diplomatic exchange ship for sending supplies to prisoners and that negotiations to this end were expected to materialize soon.

4 Brothers Killed; 11 of Family in Service

By The Associated Press

HANFORD, Calif., Sept. 4—Four brothers of Mrs. Robert H. Fisher—of the nine, who with her husband and her father, answered the call to arms—have been killed in action. Three of the brothers died in the Philippines, she said yesterday, and the fourth in a Pacific naval action.

Her father, J. C. Berquist, is serving with an infantry company and her husband is in the air force. At home are two small sons—very proud of the family.

MORROW CO. MAN, 62, GETS THEFT TERM

30-Day Sentence, $200 Fine Ordered for Bike Stealing.

George Jacobs, 62, of Cardington, pleaded guilty to a charge of larceny in connection with the theft of bicycles and was fined $200 and costs and sentenced to 30 days in the Columbus workhouse by Municipal Judge W. Dexter Haren Tourgee.

Jacobs was arrested Sunday in Morrow county by Morrow county Sheriff Oscar George and Deputy W. R. Cunningham for the Marion police department.

Jacobs admitted stealing four bicycles in Marion recently. He told police officers that he sold the bikes in Mt. Gilead. Three of them already have been recovered and Chief of Police William E. Marke said that whereabouts of the fourth was known and it would be recovered in a few days. The one bike which has not yet been recovered belongs to Janet Way of 576 East Center street.

When brought into municipal court, Jacobs was arraigned only on the theft of a bike owned by Peter Cooper of 758 East Center street. It was stolen last Sunday from near the Cooper home.

Jacobs admitted to Sheriff George and Deputy Cunningham Sunday the theft of at least two Morrow county bicycles. One of the stolen bikes was owned by Sheriff George's son, Franklin. He identified his bicycle and it was returned to him. John Tennant of Mt. Gilead also has identified a bike believed stolen by Jacobs, Sheriff George said.

PATRIOTIC PUNISHMENT

Boys With Nazi Flags Must Place Wreaths On Monument.

By The Associated Press

MIDDLETOWN, O., Sept. 4—Judge Oscar O. Leiser ruled that two boys who raised a Nazi flag on a school flagpole must place a wreath on the Soldiers and Sailors monument here annually for the next three years.

The juvenile court yesterday ordered the 17-year-old youths to make "a pilgrimage to Woodside cemetery" monument May 28 1943, 1944 and 1945, to burn three hand-sewn Nazi flags and to report once a week for six months to a probation officer.

The boys hoisted flags on the Roosevelt junior high flagpole in 1940 and 1941 and were caught by police trying it again last May.

Counsel for the pair said they would seek a new trial.

SUNDAY SPORTS VOTE SET

By The Associated Press

EAST LIVERPOOL, O., Sept. 4—An ordinance legalizing Sunday sports in East Liverpool will be submitted to the voters Nov. 3 as a result of a petition bearing more than 900 signatures. Church groups are circulating petitions for an initiative ordinance banning Sunday motion pictures and stage shows.

PARADE CANCELLED

By The Associated Press

STEUBENVILLE, O., Sept. 4—After cancelling their traditional Labor day parade, local labor union members decided to contribute two hours of work on that day to salvage materials from a burned-out section of the Wells High school building. Proceeds from this sale will go to Steubenville's civilian defense unit.

DENIES THREAT CHARGE

By The Associated Press

CLEVELAND, O., Sept. 4—Accused of making oral threats against President Roosevelt, Nick Jaroszyk, alias Michael Girard, 42, pleaded innocent before a U. S. commissioner. Released under $1,500 bond, Jaroszyk will have a hearing tomorrow.

NEW MINISTER

General Francisco Gomez Jordana (above), harvard-ex president of the state advisory council, was named to replace Foreign Minister Ramon Serrano Suner in a cabinet shakeup by Spain's Generalissimo Franco. Suner is Franco's brother-in-law.

NEWS FROM OUR BOYS

ON LARUE ROLL

LaRue—Pvt. William P. Schotte has been transferred from camp MacDill, Fla., with address c/o postmaster, New York.

Pvt. Robert Emptage, who is in military police service training at Camp Breckenridge, Ky., visited over the week-end at the home of his mother, Mrs. Rhea Emptage.

Isa Carter is in receipt of a cablegram from his son, Sgt. Robert Carter, saying he is in England.

Keith Fields, who is in pilot training at Columbus, spent week-end at the home of his parents, Mr. and Mrs. S. W. Fields.

Pvt. Edward Benson, stationed at Fort Bragg, N. C., is home on a furlough. He is the son of Mr. and Mrs. E. M. Benson.

William Smith, first machinist mate, stationed at Camp Bradford, Norfolk, Va., visited his father, Carl Smith, this week.

Charles J. Knapp, W. O., has been appointed assistant to adjutant of the O. C. department in connection with his other duties. He is stationed at Fort Monroe, Va.

* * *

Pvt. Edward E. Schwaderer, son of Mrs. Eva Waeiska of 215 Spencer street, is stationed with a provisional training company at Ft. Leonard Wood, Mo. Pvt. Schwaderer was Mrs. Waeiska's third son to enter the service. He was inducted at Ft. Benjamin Ind., Aug. 27. His brothers, Pvt. Harold J. Schwaderer, who was inducted in March, is stationed at Camp Livingston, La., and Corp. Paul E. Schwaderer, who was inducted in March, 1941, is on desert maneuvers in California. He was formerly stationed at Ft. Ord, Calif., and will probably return there his mother stated.

* * *

Word has been received here by Mrs. Lowell Sharrock of Martel that Sgt. Lowell Sharrock has arrived safely in the Far East. Sgt. Sharrock sailed from New Jersey, July 16.

* * *

Pvt. C. E. Underwood, son of Mr. and Mrs. George Underwood of Caledonia, and Mrs. Underwood, daughter of Mr. and Mrs. Albert Chontos of 532 Oak street, are visiting their parents and friends here. Pvt. Underwood is stationed at Camp Polk, La., and will return there after 10 days. Mrs. Underwood, who is employed at Patterson Field, will accompany her husband as far as Dayton.

* * *

Galion—Corporal Marion Kinnamon, son of Mr. and Mrs. L. K. Kinnamon, is home on his first furlough since his enlistment 18 months ago. He has been stationed at Fort Monroe, Va., and expects to leave soon for Fort Stevens, Ore.

* * *

Crestline—Mr. and Mrs. Roy Smith left Thursday for Jacksonville, Fla., to visit their son, Starling L. Smith at the U. S. navy air station.

* * *

Crestline—Harry and Homer Rhodes of Great Lakes Naval Training station arrived Thursday for a nine day furlough with their parents, Mr. and Mrs. "Dusty" Rhodes.

* * *

Mrs. John McCombs of 488 Olney avenue left this morning to spend the week-end in St. Louis, Mo., with her husband Pvt. John McCombs, who is in training at Ft. Leonard Wood.

* * *

Billy R. Craven, son of Mr. and Mrs. Lester Craven of 246 Barnhart street, enlisted in the air corps ground mechanics' division Tuesday at Columbus. He will be stationed at Ft. Benjamin Harrison, Ind., until further notice. He was formerly a draftsman with Holabird & Root at the Scioto Ordnance Plant.

* * *

Mr. and Mrs. John W. Creasap of 932 Woodrow avenue received a cablegram last week from their son, Donald, who is somewhere in Great Britain. Pvt. Creasap said that he is in good health. He was formerly employed by the Ohio Fuel Gas Co. and enlisted with the ground crew at Patterson Field last May 13.

* * *

Pfc. R. R. Curl, son of Mr. and Mrs. J. J. Curl of 631 Pearl street, has been tranferred from Camp Oglethorpe, Ga., to Camp Barkeley, Tex. He has also been promoted to the rank of supply sergeant.

Richwood-Marion War Workers Bus Planned

Special to The Star

MARYSVILLE, Sept. 4 — The Marysville-Columbus Bus Co. will institute bus service for Marysville and Richwood war workers employed at Marion, officials announced today. The service will start next week.

Two trips are planned daily, with the bus leaving Marysville at 6:30 a. m. and 3:30 p. m. On the return trip the bus will leave Marion at 10 a. m. and 5:30 p. m.

OHIO SOLDIER HONORED

By The Associated Press

COLUMBUS, O., Sept. 4—Corp. James W. Pryor, 22, of Marietta, first soldier of the war to be decorated at Fort Hayes, watched a garrison review in his honor, then saluted smartly with his left hand. Pryor, who was honorably discharged in June, received the purple heart medal yesterday for a "singularly meritorious act" during the Japanese raid on Hickam Fld., T. H., in which he lost his right hand.

TAXES BEFORE SENATE GROUP

Committee Considers "Spending" and Sales Levy Proposals.

By The Associated Press

WASHINGTON, Sept. 4—Urged by Secretary Morgenthau to take "bold action" toward providing non-inflationary war financing, the senate finance committee weighed today a treasury-sponsored "spending" tax plan and proposals for a flat-rate levy on retail sales and services.

With more than a majority expressing opposition to the $6,500,000,000 additional revenue program laid before the group by Morgenthau, some committee members said the effect of the treasury's new proposal had been to force a showdown between it and a sales tax.

Senator Byrd (D-Va.) said he believed Morgenthau had left no course open to the committee but to boost substantially the $6,271,000,000 yield in additional taxes provided by the house-approved revenue bill.

Called "Only Answer"

"From what the secretary says," Byrd told reporters, "there must be additional money raised beyond that provided in the house bill. As I see it, the sales tax is the only answer. Certainly, we can't impose such a ridiculously-involved spending tax as he has suggested. It would be easily possible for a man to pay more tax than his income under such a levy."

The Morgenthau plan would call for a 10 per cent levy on all the unexempted spendings of single persons who earned more than $500 a year and of married persons with incomes of more than $1,000. The latter would be given additional exemptions of $250 for each dependent.

Calculated to raise $4,500,000,000, this levy would be in the form of an enforced savings, collected at the source in most instances, which would be returned to the taxpayer after the war. In presenting it Morgenthau conceded that the treasury could not rely on voluntary financing beyond this calendar year.

Would Graduate Levies

As a direct new tax, Morgenthau suggested graduated levies of from 10 to 75 per cent on luxury spending beyond the exemption of $1,000 for an individual and $2,000 for married couples, with $500 additional credit for each dependent.

He urged that 5,000,000 new taxpayers be brought into the fold by lowering regular income tax exemptions from $750 to $500 for single persons and from $1,500 to $1,000 for married couples and by cutting the $400 credit for dependents to $250.

ALLIES

(Continued from Page 1)

tank reinforcements were also reported pouring into the assault on Stalingrad, and Soviet dispatches said the Germans had a superiority of two or three to one in some sectors.

At mid-day, Red army headquarters acknowledged that tanked Nazi shock troops had deepened their wedge into Soviet defenses on the southwest approaches of the city.

"At a cost of enormous losses, the Hitlerites succeeded in making a slight advance," the Soviet command said.

"In other sectors, the enemy attacks were repulsed with heavy losses."

Marshal Semeon Timoshenko's forces north of Stalingrad were said to have broken into Nazi positions and "wiped out two companies of Hitlerites in a fierce engagement."

In the western Caucasus, the Russians conceded that Nazi troops had captured a strategic height in the battle for Novorossisk, Soviet naval base on the Black sea, but declared that elsewhere in that region the Red armies were holding firmly.

Deep in the central Caucasus, other German forces, which crossed the Terek river in the Mozdok area, 50 miles northwest of the Grozny oil fields, were declared to have been wiped out.

Soviet dispatches indicated, however, that the Germans were pressing a strong offensive toward the oil fields and that the defenders were outnumbered.

Police Arrest 90 In Irish Agitators' Roundup

By The Associated Press

BELFAST, Northern Ireland, Sept. 4—Two police officers were injured by a time bomb explosion outside the Randalstown police barracks during the night as officials pressed a roundup of suspected political agitators which resulted in 90 arrests before morning.

Authorities blamed members of the outlawed Irish Republican army for the bomb blast, apparently touched off in protest against the execution of Thomas Williams, youthful IRA follower whose hanging for the slaying of a constable was marked by a wave of disorders Tuesday.

United States troops, for whom Belfast has been declared out of bounds Wednesday and Thursday, appeared on the streets last night without incident.

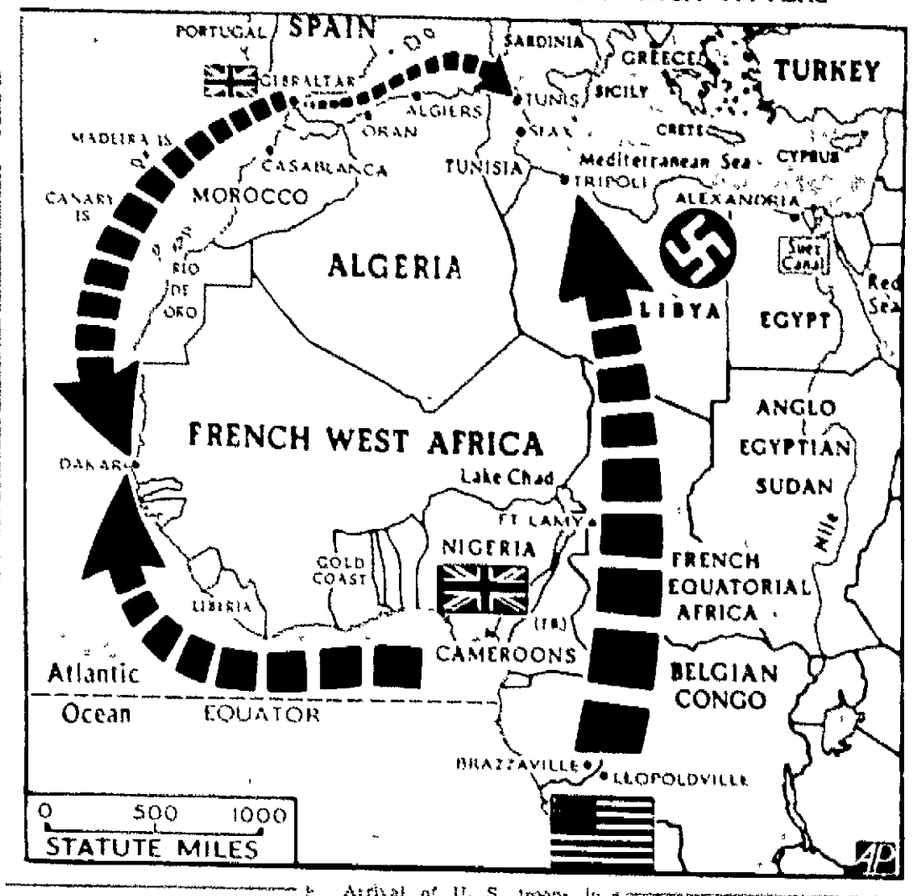
U. S. TROOPS IN CONGO GIVE AXIS AFRICA JITTERS



Spanish Action Seen Potential To Allied Victory

By DE WITT MacKENZIE

Wide World War Analyst

If one were asked to pick the most international development of the past 24 hours I think it would have to be Spanish Generalissimo Franco's removal of his brother-in-law, strongly pro-Nazi Ramon Serrano Suner, not only from the office of foreign minister but from the presidency of the Falange, Spain's sole political party.

While this drastic and daring shake-up looks like an internal affair, its potentialities in relation to the allies and the axis powers are vast. There is much that needs clarification, but we can at least say that Franco's action must cause heartburnings in Berlin and is a matter of satisfaction to the United Nations.

Strengthens Neutrality

I think we may put it this way: by eliminating a powerful pro-Nazi influence from his cabinet and leadership of his party, Generalissimo Franco has—whatever his underlying purpose—strengthened the neutrality of his country. From the allied standpoint that is a gratifying sign of independence in the face of powerful Hitlerian efforts to make Spain draw water for the axis.

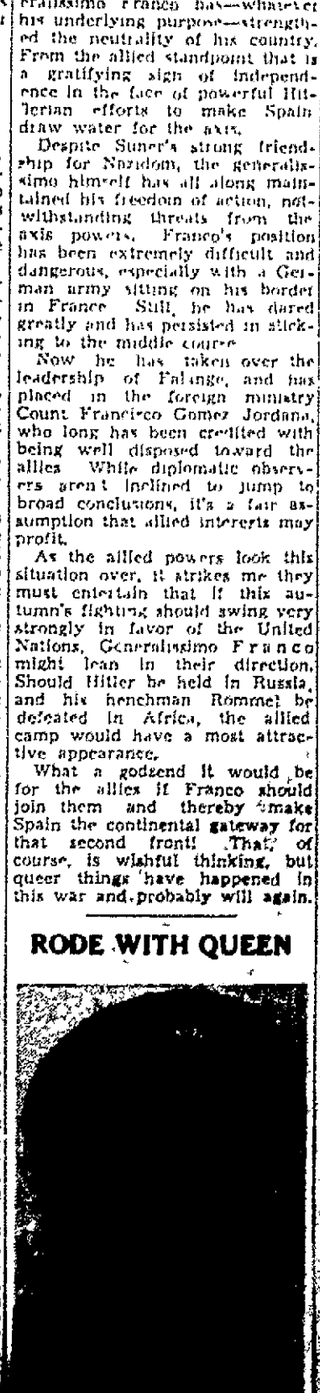
Despite Suner's strong friendship for Nazidom, the generalissimo himself has all along maintained his freedom of action, notwithstanding threats from the axis powers. Franco's position has been extremely difficult and dangerous, especially with a German army sitting on his border in France. Still, he has dared greatly and has persisted in sticking to the middle course.

Now he has taken over the leadership of Falange, and has placed in the foreign ministry Count Francisco Gomez Jordana, who long has been credited with being well disposed toward the allies. While diplomatic observers aren't inclined to jump to broad conclusions, it's a fair assumption that allied interests may profit.

As the allied powers look this situation over, it strikes me they must entertain that if this autumn's fighting should swing very strongly in favor of the United Nations, Generalissimo Franco might lean in their direction. Should Hitler be held in Russia, and his henchman Rommel be defeated in Africa, the allied camp would have a most attractive appearance.

What a godsend it would be for the allies if Franco should join them and thereby make Spain the continental gateway for that second front! That, of course, is wishful thinking, but queer things have happened in this war and probably will again.

RODE WITH QUEEN



Pfc. Peter (above) rode with Queen Elizabeth of England, said that talking at the queen mother's table, when her [illegible] not specify where the [illegible] but referred [illegible]

Arrival of U. S. troops in Belgian Congo, plus reports that the British are practicing invasion landings at Gibraltar add up to a case of African jitters for the Axis. Second front possibilities were seen as including back door drives on German-held Libya or on Dakar, plus perhaps British sea-borne invasion of Tunisia or Dakar. The American army technical forces which arrived at Leopoldville, Belgian Congo capital, started immediately to build a big camp named for President Roosevelt, apparently in preparation for troop arrivals.

Ravenna Housing Project Delayed

By The Associated Press

RAVENNA, O., Sept. 4 — A shortage of materials is delaying construction of a $7,000,000 Maple Grove housing project for Ravenna arsenal workers, says I. E. Allison, project manager for the federal housing administration. Allison reported difficulty in obtaining lumber especially. The Maple Grove project is to consist of 367 buildings, providing 2,000 housing units.

Accused Saboteur Aid Denies Treason Charge

By The Associated Press

NEW YORK, Sept. 4—Anthony Cramer, 42, accused of aiding two of the Nazi saboteurs who landed in Florida from a German submarine, pleaded innocent today to a charge of treason.

Judge T. Blake Kennedy continued bail of $50,000 until Sept. 11 when date of the trial will be set. Unable to provide bail, Cramer was returned to the house of detention.

Cramer, a naturalized citizen, is a former member of the German army and of the German-American bund. The ten-count indictment against him includes charges of harboring and advising Werner Thiel and Edward J. Kerling, recently executed in Washington as saboteurs.

SPAIN

(Continued from Page 1)

The London News Chronicle said it would "be rash to expect any drastic change of foreign policy," but described the dismissal of Serrano Suner as welcome news.

"Prospects of an increase in Axis influence and even of the continuation of the use of Spanish ports by Axis submarines—an abuse of neutrality for which Serrano Suner has found endless excuses and denials—have slightly worsened," the paper said.

Berlin radio broadcasts insisted there would be no change in Spanish foreign policy and implied that Franco sought primarily to eliminate long-standing friction between Falange politicians and his army.

STRIKE PARTLY OVER

By The Associated Press

DETROIT, Sept. 4 — Construction of an addition to the Detroit tank arsenal operated by Chrysler Corp. was resumed partially this morning when about 40 per cent of the 475 AFL workers who struck two weeks ago returned to work.

WILL FAVOR SOLDIERS

By The Associated Press

HOUSTON, Tex., Sept. 4—Catholics must prepare to give up their Sunday "home meals," Bishop C. E. Byrne of Galveston warns parish priests and their assistants. Young men entering the armed forces "deserve the care the services of a priest more than those who, lie in bed at home on Sunday morning," he said in a letter yesterday to the clergy.

4-H ENTRIES AT FAIR JUDGED

Ratings of Boys' Club Entries in Various Classes Announced.

Results of judging of boys 4-H club entries at the Marion county junior fair was completed yesterday afternoon by the club leaders. The boys' mothers were also present.

The grades given do not include the complete rating, since judging of record books probably will not be completed until next week.

Following are the ratings given the entries:

Dairy bull—Herbert Lawrence A; Paul Granger and Ted Mohr Jr., A-minus; Paul Konler, B-plus; Ferdinand Lawrence Jr. and Tom Stayner, B.

Pigs—Charles Mavers A; John Martin, B; Jay Long, B and C, Jack Dennison C; Herbert Oehler and Donald Johnson Jr, D.

Beef breeding—Norma Neighart and Donald Heimlich, A; Ray W. Knapp, Glen Knapp Lowell Price and Ralph Price B-minus.

Steer—George Wilson and Donald Heimlich, A, Edna Neidhart, David Fogle and Marjorie Kreis, A-minus, Charles Laucher, B-minus; Charles Heimlich, B-plus.

Dairy calf—Warren Beers and Eugene Lehner, A-minus, Donald Seiter, Paul Seiter, and Clarence Gruber, B; Earl Share and Donald Pickett, C.

Dairy heifer—Ferdinand Lawrence Jr., Herbert Lawrence and Dick Lawrence, A; Arthur Stayner, B; Paul Snare, C.

Vegetable Gardening—Martin Oehler, Allan Wargowsky and Charles Persinger, A, Jack Furniss, A-minus, Damon Monnette, Clifford Jones and Joe Lawrence, B-plus; Everett Douce, Herbert Oehler, Wayne Sharrock, B, Pauline Oehler, B-minus, Donald Butz and Raymond Pangborn, C. Walter Rinehart, C-plus.

Potatoes—Wayne Weir, B-plus, William Douce, Robert Jackson, Ralph Price and Dale Rinehart, B; Everett Douce, B-minus, Lloyd Wallace, C.

Flower garden—Raymond Pangborn, B.

Crops—Arthur Price, A and B-plus, Ralph Price, B-plus; Lowell Price, B-plus.

In many instances this year when the club members desired to market their livestock and produce the judging was done literally "in the field" and the entries were not made a part of the Marion county fair.

Highland Elberta Captures $1,000 Chamber of Commerce Pacing Derby

Tom Winn Boots Scott Volo Jr. To Triumph in $600 Weller Grill Pacing Stake.

By LOREN W. TIBBALS
Marion Star Sports Editor

HIGHLAND ELBERTA, a bay mare owned by Charles Miles of Danville, Ind., and driven by Riley Walters, won the featured $1,000 Chamber of Commerce pacing derby on yesterday's second Marion county fair harness racing program.

The little mare opened the early pace, dropped to second at the quarter and was well back in fourth place at the half. Walters let him out going into the back stretch and the mare overhauled the leading Chuck Worthy, a heavy favorite in the mutuels, at the three-quarter pole.

The Hoosier horse took an early lead and maintained it to the finish in the second heat.

In the third heat Chuck Worthy came all the way from third at the three-quarter pole to nose out Highland Elberta and Hob Hope, second and third, respectively.

Wins Second Race

Scott Volo Jr., a black gelding owned by C. E. Baxter of Pontiac, Mich., and driven by Tom Winn, won the Weller Grill $600 pacing stake in three consecutive heats. Following the third heat Patty Weller, proprietor of the Weller Grill, presented Driver Winn with a $25 war savings bond.

Hot Feet, owned by Joseph A. Neville of Delaware and driven by Wayne Smart, and Hendrick, owned by John E. Kelly of Bangor, Me., and driven by Harry Short, pressed Scott Volo Jr. in all threats.

In the first heat Hot Feet failed by inches to overtake the winner in the stretch race. Hot Feet was second in the next heat but finished third behind Scott Volo Jr. and Hendrick in the third heat.

Charon Arleen, owned and driven by Eugene Drumm of Marysville, won all three heats of the 2:21 trot. The horse was one of the standout performers in the spring Little Grand Circuit meet here.

Final Races Today

Between 1,000 and 1,500 persons enjoyed yesterday's program. Today's nine-dash card will wind up Marion's 1942 harness racing program.

Results of yesterday's card follows:

First race—2:15 Chamber of Commerce Pacing Derby, one mile, purse $1,000.

Highland Elberta, b. m., by Highland Scott (Walters) 4.20 3.40 out

Chuck Worthy, b. g., by Biffy Worthy (McGowan) 2.40 out
Queen Wilkes, b. m., by King Direct (Russell) out
Frisky Prince, Mike the First, Bob Hope and Susan Dale also started.
Time—2:07

Second race—2:25 Weller Grill pace stake, one mile, purse $600.

Scott Volo Jr., blk. g., by Scotland (Winn) 6.60 3.40 out
Hot Feet, br. c., by Volomite (Smart) 2.20 out
Hendrick, blk. c., by Bert Abbe (Short) out
Dearyanite, R. T. C., Bert Easter, Gayland and The Count also started.
Time—2:08.

Sixth race—2:21 trot, one mile, purse $400.

Charon Arleen, br. m., by True Volo (Drumm) 3.60 out out
Nedra Abbey, blk. m., by Guy Abbe (Plaxico) out out
J Mac W, br. g., by Captain Dewey (Russell) out
Easter Wilson, Rose Brewer, Arlon Girl and So Rare also started.
Time—2:13.

Seventh race—2:15 Chamber of Commerce pacing derby, one mile, purse $1,000.

Chuck Worthy, b. g., by Biffy Worthy (McGowan) 5.20 out out
Highland Elberta, b. m., by Highland Scott (Walters) out out
Susan Dale, b. m., by Hal Dale (Perry) out
Frisky Prince, Queen Wilkes and Bob Hope also started.
Time—2:12½.

Eighth race—2:25 Weller Grill pacing stake, one mile, purse $600.

Hendrick, blk. c., by Bert Abbe (Short) out out
Hot Feet, br. c., by Volomite (Smart) out
Dearyanite, Bert Easter, Gayland and The Count also started.
Time—2:08.

Ninth race—2:21 trot, one mile, purse $400.

Charon Arleen, br. m., by True Volo (Drumm) 2.80 out out
J Mac W, br. g., by Captain Dewey (Russell) out out
Nedra Abbey, blk. m., by Guy Abbe (Plaxico) out
Easter Wilson, Rose Brewer, Arlon Girl and So Rare also started.
Time—2:14.

50 Candidates Answer Wooster Football Call

By The Associated Press

WOOSTER, O., Sept. 4—Fifty candidates, including a dozen lettermen, reported for Wooster college's initial football practice yesterday. There were 17 freshmen in the turnout. They now are eligible for the varsity under conference rules.

40 MIAMI FROSH CALLED

OXFORD, O., Sept. 4—Miami university called about 40 freshmen into football practice today. Upperclassmen are scheduled to report next Monday to an all-new varsity coaching staff headed by Stuart Holcomb, formerly of Muskingum college, and including Sid Gilman and Walter Wilson.

Newsom Allows 4 Hits As Dodgers Defeat Reds, 2-0

THE MARION STAR SPORTS

As Wisconsin Football Drills Begin

Horseplay was in order as the Wisconsin Badgers began football practice at Madison, Wis., and here is Pat Harder, one of last year's brightest Big Ten backfield stars, kneeling before Coach Harry A. Stuhldreher (left) in a mock plea for mercy in training sessions. Enjoying the farce are, left to right: End Dave Schreiner, returning All-America player; Lloyd G. Wasserback and Paul Hirsbrunner, tackles, and Guy Sundt, assistant athleti director who is the Badgers' new backfield mentor. Fifty-four candidates, including 22 lettermen, turned out for first fall practice.

Ohio Valley Regatta To Be Held Sunday

By The Associated Press

NEW MARTINSVILLE, W. Va., Sept. 4—The fifth annual Ohio Valley Regatta, one of the east's major power boat racing events, will be held here Sunday, Sept. 13, with profits earmarked for relief organizations of the armed services.

The contestants will vie for three trophies—the William Randolph Hearst trophy, the American Power Boat Association's championship cup and the Magnolia Yacht club trophy.

Led by Joe Taggart of Canton, O., who set a world record for 225-cubic inch boats on the course here last year, some of the nation's best drivers are expected to compete in the 1942 races.

Crawford Co. Schools Slash Cage Schedule

Special to The Star

BUCYRUS, Sept. 4 — Cutting the schedule to less than half, county rural school superintendents met Thursday to outline the rural school sports program for the year. Superintendents voted to limit all interscholastic basketball games to six and the same number of baseball games. The county basketball tournament formerly played in five days, has been limited to two days. The baseball tournament was abandoned.

Glen Pennis of Sulphur Springs was named a new member of the county athletic committee. Two coaches will be named later to complete the committee which includes Lloyd Volk of Chatfield and Paul Morton of Leesville.

ZANESVILLE TAMES DAYTON

By The Associated Press

ZANESVILLE, O., Sept. 4—Last place Zanesville shortened Dayton's chances of winning the Mid-Atlantic league pennant last night, edging the Ducks 3-2 in a 13-inning game.

Dayton dropped a half-game in the standings, giving idle first-place Charleston a four-game lead. The season ends next Monday. Canton defeated Springfield 7 to 1.

JACK BLOOMFIELD WINS ARMORY MAT MAIN-GO FEATURE

Defeats Wild Bill Zimovich in Unique Fight; Lefty Pacer Also Wins.

Jack Bloomfield of New York City defeated Wild Bill Zimovich to win the featured main-go attraction on last night's Armory wrestling card.

The match was unique in that, by agreement of both fighters, the referee was withdrawn from the ring to allow the fighters to go after each other with no interruptions.

This ruling followed a recent Bloomfield-Zimovich fight, won by Bloomfield and protested by Zimovich. Wild Bill claimed that he was "robbed by the referee" and so to erase this excuse, Bloomfield agreed to fight Wild Bill without a referee.

For once and for all, Bloomfield established his superiority over the rough Zim by trouncing him twice.

It took Jack only 10 minutes to win the opener with a series of body slams, climaxed by a mean body pin.

The second fall went only eight minutes, but it produced some of the best action of any of the recent cards. Wild Bill pressed the action by flooring Bloomfield. Every time Referee Fishbaugh, who officiated only for the counts and opening of each fall, would count to two, Wild Bill would pull Bloomfield's shoulders from the pad. After this performance continued several times, Fishbaugh entered the ring.

Wild Bill immediately abandoned the nearly prostrate Bloomfield and began to wrestle Fishbaugh and then Bloomfield slammed Wild Bill and fell on him. Fishbaugh counted Zimovich out. When neither fighter got up, Fishbaugh rolled Jack off and discovered that both fighters were nearly completely out.

Zimovich came to first and he started on Bloomfield again. Fishbaugh tried to stop him and received a couple of punches. In the meantime, a few of the spectators dragged Bloomfield from the ring.

Soldier Thomas and Aswel Madsen battled to a draw in the one-hour semi-final match. Each won one fall.

Lefty Pacer the big Toledo athlete, won over Sailor Olsen in the one-fall 30-minute opener.

MAJOR LEAGUE LEADERS

By The Associated Press

NATIONAL LEAGUE
Batting—Reiser, Brooklyn, .336.
Runs—Ott, New York, 100.

Snatches of Sports

By HUGH FULLERTON Jr.
Wide World Sports Columnist

NEW YORK, Sept. 4 — While the hollering is going on, what's the matter with Hank Borowy for the "rookie of the year" prize?....We've had nominations for Vern Stephens of the Cards, Johnny Pesky of the Red Sox and Johnny Beazley of the Cards, but as any of them bettered Hank's four shutouts and that almost no-hitter for the Yanks?....Guess folks around here got so used to Borowy when he used to win 'em all for Fordham that they forgot he's still a rookie in the big leagues....Wonder what the scorer would have called that one "hit" Wednesday if it had come in the ninth inning instead of the first?

• • •

Headline Headliner — When stories on the Newsom and Cullenbine deals came through the other day, the guy on the Detroit News desk penned this self-explanatory banner: "Bobo and Roy 'Inherit the Earth.'"

• • •

Signal Corps — The Dodgers have called upon so many relief pitchers lately that Chuck Dressen and Frenchy Bordagaray have cooked up special signals for them. When Chuck indicates a fat man, Hugh Casey comes in; a thinman motion means Max Macon; for Ed Head, Dressen scratches his thatch; for Kirby Higbe he goes through the motions of eating a steak and for Whit Wyatt he pantomimes a man walking behind a plow.

• • •

Today's Guest Star—Nixson Denton, Cincinnati Times-Star: "A middlewestern school has published a brochure, '3,500 Facts About Football.' The big fact is that not one of the 3,500, with a war on, means anything."

St. Louis Opens Series at Cincinnati

By The Associated Press

CINCINNATI, Sept. 4 — Billy Southworth's St. Louis Cardinals, staging a mighty homestretch pennant drive, meet Cincinnati tonight in the first contest of a three-game series.

The Red Birds come here with a pennant chance so slim it could be all but dissipated before they leave Sunday night. With 22 games yet to play, St. Louis is 4½ games behind Brooklyn and in winning 19 of their last 22 games, the Cards gained only 3½ games on the Dodgers.

Johnny Beazley, who won his last two starts against Cincinnati, will try for his 18th victory tonight against Paul Derringer, who the Cards beat in his only start against them.

BREWERS, RED BIRDS LOSE IN A. A. RACE; BLUES TAKE LEAD

St. Paul Whips Milwaukee, 6 to 3, in 13-Inning Contest.

By The Associated Press

If any team in the American association deserves a round of applause today it's St. Paul.

The last place Saints didn't give up last night in the face of an announcement that the club will let its franchise revert to the American association and dispose of all its players. Instead, they whipped front-running Milwaukee 6 to 3 in a 13-inning contest.

The defeat sent the Brewers pancaking a full game off the American association lead, and this, plus Columbus' defeat by Indianapolis, left the idle Kansas City Blues on top by half a game. The Blues' game with Minneapolis was postponed.

The Saints dropped the Brewers in the 13th frame last night when Jimmy Grant doubled with bases loaded. Verdie Hensel went all the way for St. Paul, giving up 17 blows, but only one for extra bases.

A three-run rally in the first inning resulting from three singles and a double from Pitcher Red Munger, gave Indianapolis a 4 to 2 win over Columbus. The Tribe functioned behind John Hutching's seven spaced hits as the newcomer from the majors registered his fourth victory without a loss.

Louisville trounced Toledo for the third straight time, 9 to 6, and just about knocked the club from the American association playoffs. The Colonels boosted their fourth place margin to a game and a half and have only five more to go.

KIMBROUGH MAY BE ON BENCH SUNDAY

Rib Injury May Deprive Army of Star Player.

By The Associated Press

DENVER, Sept. 4—It's no military secret but it is definitely bad news for the western army football all-stars—"Jarring John" Kimbrough may not be able to start in Sunday's game with the Chicago Cardinals.

Whether he is able to play at all depends on how well a severe rib injury mends. Wiping him out of the line-up is like taking Whit Wyatt away from the Brooklyn Dodgers or Sammy Baugh from the Washington Redskins, who beat the Army eleven at Los Angeles last Sunday.

Big John, twice All-America fullback from Texas A. & M. and Haskell, Texas, was top kick for the army boys in that game, speeding 58 yards for their solo touchdown.

Major Wallace Wade, the team's laconic coach from Duke, disclosed today that the injured rib was the price the 210-pound giant with the incandescent smile paid for his stellar work.

"Kimbrough hasn't been able to practice with the squad here," Wade said, 'and probably won't know until tonight or tomorrow how much we can use him Sunday."

Five other players also are on the doubtful list because of the banging up they took from Washington—Jim Thomason, blocking back from Texas A. & M.; Don Scott, fullback from Ohio State, Waddie Young, former All-America end from Oklahoma; Leonard Dickey, tackle from Texas A. & M., and Tony Cemore, guard from Creighton.

St. Louis Cardinals Maintain National League Position, Defeat Giants, 7-0.

By The Associated Press

WHEN the Brooklyn Dodgers bought big Buck Newsom from the Washington Senators last Monday for a price now understood to have been $25,000 plus a minor league pitcher, they said they would be satisfied if the deal netted them three games for them in the stretch drive for the National league pennant.

On that basis the acquisition's debut for the Dodgers yesterday at Cincinnati was worth $8,333.33 and Newsom, with his usual ability for a grand gesture produced a performance to warm the heart of Dodger fans.

Beats Vander Meer

He shut out the Cincinnati Reds 2-0 on four scattered hits and struck out eight in pitching duel with Johnny Vander Meer, who himself fanned eight and allowed only four safeties before being relieved for a pinch hitter in the last of the ninth inning.

However Vandy had one wild streak and it cost him an unearned run and eventually defeat. In the third inning he walked the first two men up, Augie Galan and Arky Vaughan. Newsom grounded into an unusual double play, erasing Galan and himself and putting Vaughan on second. Eric Tipton dropped Peewee Reese's liner to center-field and Vaughan scored.

Joe Beggs, who went to the mound in the ninth, walked the first man and Joe Medwick singled. Ray Starr hurried to the mound and fanned Dolph Camilli. Then Mickey Owen hit a long foul to Rightfielder Max Marshall, Frenchy Bordagaray scoring after the catch.

Dodgers Lead By 4½

The victory, closing Brooklyn's last western swing of the season, kept the Dodgers 4½ games ahead of the St. Louis Cardinals, who crushed the New York Giants 7-0, behind the four-hit hurling of Lefty Howard Pollet.

Philadelphia's night game at Pittsburgh was postponed.

In the American league the speeding Boston Red Sox gained half a game on the idle New York Yankees by smothering the Detroit Tigers 2-0 on four-hit pitching by Bill Butland, who now has won six in a row. It was the Red Sockers' fifth straight triumph and 23rd in 27 games.

The Washington Senators turned the tables on the Chicago White Sox and swept a doubleheader 3-2 and 14-0, getting the stupendous sum of 20 hits off Thornton Lee and El Wallgren in the second game.

Indians, Browns Battle for Third Place

By The Associated Press

ST LOUIS, Sept. 4—The Cleveland Indians and the St. Louis Browns are going to settle their battle for third place by the wearing down process.

Trailing the Browns by only a half-game, the Tribe today opens a schedule of three straight double-headers here that will test the skill and stamina of both clubs.

The initial bargain bill is a day-night affair—first in the history of the major leagues. The afternoon customers will get their out checks which will admit them to the night game after time out to eat.

For the opener, Manager Lou Boudreau assigned Mel Harder and Chubby Dean to oppose Johnny Niggeling and Al Hollingsworth on the mound.

GALION ABANDONS PLANS FOR CANTEEN

Railroad Officials Say War Dept. Disapproved Project.

Special to The Star

GALION, Sept. 4—Mrs. J. F. Bennett, president of the Galion ... a canteen ... reported ... plans ... to provide ... service ... passing ... Galion over the Big Four ... Mr. Bennett ... explained ... the ... project ... informed ... railroad officials that ... war department ... approval ... of the plan.

It has been decided by the department that no advance notice may be issued pertaining to the arrival of troop trains and railroad officials receive only a few hours notice of the arrival of such trains.

Although equipment and rooms at the Big Four railroad ... already been obtained the program has been abandoned.

Crawford County Corn Show Dates Selected

BUCYRUS, Sept. 4 — September 24, 25, 26 were set for the fourth annual county corn show under sponsorship of the B club.

The dates were set and other plans made at a meeting of the club Thursday night.

Plans include election of a queen from candidates presented by each of the county's rural schools. City schools will also be invited to supply a candidate. The coronation was set for the opening day and a parade for the 25th.

Mt. Gilead Rationing Board Clerk Named

MT. GILEAD, Sept. 4—Griffith Granger of east of Mt. Gilead has been appointed on of clerk of the ration board in Mt. Gilead. He is the third clerk in two months.

C. W. Schaff who was named clerk four weeks ago was not confirmed by state and regional officials because of his age. Mr. Schaff is 80.

Major Ray Booher has been appointed as the third member of the three man board and Steve McKargan has withdrawn his resignation as chairman.

WILDERNESS GIRL

By LETA ZOE ADAMS

CHAPTER TWENTY-ONE

The Spy

HE BROUGHT up so short that the others, stumbling along behind, almost ran over him.

"We have to go back. The ... on the door."

"The ... current ... string here. May ... would be out. Let's keep going," Gil ... barked.

Sandy hesitated. It was a chance either way. The passage might lead to the surface somewhere ... and the entrance was in the Chamber of the Serpent God through which they must pass again if they sought the other entrance.

"Keep close and look sharp," he directed and started on.

They had gone only a few yards when they emerged into another cavern smaller than the first but, like it, festooned with glistening icicles of stone. Sandy held up a moistened finger and found the direction of the current once more. They crossed the knobby floor and entered another tunnel. It turned and twisted upon itself, expanded and contracted, but the general trend was onward.

Sandy could not tell how far they had gone, but it must have been half a mile when, in making a turn, he caught a glimpse of light ahead. Shortly thereafter the passage widened and they found themselves at the mouth of a hillside cave several hundred feet above a U-shaped canyon in the face of the plateau. At the arch of the U a cascade tumbled from the cliff, like a fault-line of cut crystal through the agate-green jungle.

The country was completely strange to them, strange and achingly lovely in its virgin aloofness.

They gathered at the cave mouth, murmuring their relief and astonishment.

"We made it!"

"Wonder if there is any way to get down without hacking through the bush."

Then Tyra cried out—"Look! There—see? Isn't that a man?"

Their eyes followed where she pointed and, presently, saw a brown, shadowy form moving among the bushes some distance below on the face of the cliff. There could be no mistake. There was a man.

"Looks like an Indian," Sandy exclaimed, his mind reaching out desperately to grasp the meaning of an Indian in that wilderness. "He must have come from this passageway."

"It was he we heard!" Helen observed. "He must have been watching us."

Down The Path

A guardian of the codex? Sandy ... slowly. "Where there's one ..., there must be others."

Gil had been scouting along the ... of the cave and now called from a short distance—"Here's a ... way, dear! It goes down."

Sandy's eyes remained fixed upon the Indian. He had reached the base of the precipice and was suddenly vanished in the lower growth of the canyon.

Helen passed close to Sandy. "We're going to follow him, aren't we? We can't go back—not now."

"I wouldn't want to quit here, no."

Helen urged—"Tyra and I have revolvers. Four of us ... can make quite an army."

Sandy looked across at Tyra. She had been facing the mouth of the cave, but she turned with a flash of her hazel-brown eyes and sent him a smile so gay, so light-hearted, that he was reminded of that first time he had seen her dancing at the fiesta with the Tehuano.

"I came for the ride you know, and if it's a giddy ride I have only myself to blame. Besides," a dimple appeared, briefly, "I have a regular cannibal-sized curiosity. That Indian isn't one of our Yaquis, and I want to find out who he is."

Her frolicsome mood was puzzling to Sandy after the harrowing experiences of the last hour or two. However, he accepted it as a gift of the gods, and calling the group together, gave a few simple instructions.

"We might be ambushed," he warned them. "If we are it will mean shooting our way out. We might be attacked with spears or arrows. Whatever happens, keep your heads and wait for orders. Gil, if I'm put out of commission, you carry on."

They started down the switchback trail cautiously, in the same order as before.

It was inconceivable, Sandy reflected, that there should be any Indians in the area of the Maya city since in all the weeks of travel from the Rio Flamboyan they had not seen the slightest indication of human life. Of course they did not know how near the plateau was to the other slope of the Continental Divide, which led into Habasco and Guatemala. The plateau might be much closer to settlements on that side than the way his party had come. So little was known about any of this country as he had discovered, in Mexico City, when he attempted to obtain maps. The thing to remember, he supposed, was that anything was possible.

The path was well-trodden, indicating either that it was in constant use by a few or used occasionally by many. From the base of the plateau it angled off through the bush in the direc-

Self-Sealing Gas Tanks for Planes Built in Akron

By The Associated Press

AKRON, O., Sept. 4—(Wide World)—It is one of the most important jobs the nation's rubber industry is doing in the war effort . . . It starts with a cardboard box or form that in size and shape resembles anything from a small shipping carton to a giant casket. . . . It is a hand-tailored job that requires hours of painstaking work and the best rubber and other ingredients the industry has been able to develop. . . .

It is the production of self-sealing fuel tanks for the United Nations' bomber and fighter planes and other battle vehicles that might get into the line of enemy fire.

In the great plant of the B. F. Goodrich Co. here the first thing you see in the fuel tank department is a workman pushing a truck loaded with these cardboards forms or models built to the exact shape of the projected tank. One of the last things you see is the completed tank being pushed into an enormous metal boiler along with many others for the final steam and hot water bath that precedes preparation for shipment.

The cardboard form or model is essential to the construction job through most of its stages. After the ridid side and end supports have been installed the tank gets an initial bath that disposes of the model: it is washed out and reduced to a handful of pulp.

The formula of the material that goes into the tank construction, of course, cannot be outlined in detail.

Layer upon layer the tank is built up on the cardboard forms. In some instances the layers are applied in narrow strips around the width of the model; in others long panels cut to the shape of the various sides of the form are applied by men and women workers. The women, trimming edges with shears and knives, or rolling surfaces flat in the cementing operations, figure in most of the tank construction operations.

After the cardboard core has been removed some interior finishing work is done by men who, if the tank is large enough, climb inside and make sure that all vulcanizing and sealing operations have been perfect.

Particular care is needed in the application of the various fittings to the outer surface of the tank.

While the product is called a "self-sealing" tank it actually is a "self-sealing" lining for a tank. In use it fits snugly inside a conventional type metal tank.

KIWANIANS HEAR TALK ABOUT INDIA

Cleveland Traveler Tells of That Nation's Problems.

Dr. Hazel E. Foster of Cleveland, who has traveled extensively, spoke to the Kiwanis club at a meeting yesterday about India. Dr. Foster told of her personal conference with Mahatma Gandhi, of the characteristics of the people of India and spoke briefly of the difficulties of forming a united India.

It was announced that Dr. Jack Smyth, first vice president of the club, has received his call to report for duty with the army and will leave soon for Washington, D. C.

Ballots for election of officers for 1943 were explained and will be sent out in a few days. The Kiwanians will meet jointly with Lions club Thursday.

Guests were Capt. A. R. Gish of Chicago, James H. Allen of Ishpeming, Mich., John E. Hare and Jack Arter Jr. of Marion.

FORMER EDITOR DIES

By The Associated Press

CANTON, O., Sept. 4—Elbert J. Barrow, 76, for 20 years editor of the Masonic bulletin here and former managing editor of the Canton Daily News, died yesterday.

KILLED ON HIGHWAY

By The Associated Press

CIRCLEVILLE, O., Sept. 4—Thomas Polucci, 19, of Mahaffey, Pa., was struck and killed by an automobile as he repaired the taillight of his own machine along a highway last night. Polucci was employed at nearby Lockbourne airbase.

Prisoners made from flax waste and waste from the manufacture of white silkworm have been used to provide twine in Japan.

GRAINS FLUCTUATE IN NARROW RANGE

By The Associated Press

CHICAGO, Sept. 4 — Grain prices fluctuated within a narrow range today while most traders stood on the sidelines awaiting the President's Labor day speech on his anti-inflation program.

Wheat and corn were up about ½ cent at times but the gains were only temporary. Corn later showed corresponding losses reflecting additional purchases of grain to arrive here from country points. Traders said disposal of 1,000,000 bushels of government corn to an elevator concern at Buffalo and reports of competition of Canadian oats in the east may also have induced some selling. However, white corn, used mainly by food processors, sold at a new 5-year peak of $1.06½.

GRAIN MARKET

Local Grain Market

(Quotations by the Marion Grain & Supply Co.)

Friday market after 2:30 p. m.: No. 2 wheat 1.22; No. 2 white oats .47; No. 2 yellow corn .82.

(Quotations by Old Fort Mills, Inc.)

Friday close until the market opens Saturday morning: Soybeans, farmer's price 1.57.

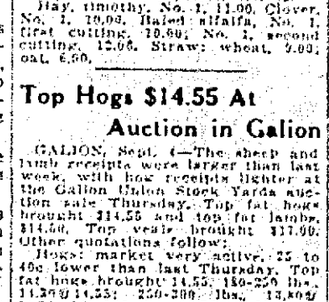
WAR BONDS

From primary trainer planes, airmen of the Army and Navy are graduated to advanced trainer planes, larger and in some cases, multiple motored. Advanced trainer planes for the Navy cost about $46,000.



Training in speed fighters is the last step before the ... ad enough ... are sent ... ers and ... planes. ...

STOCK MARKET MARKS TIME

Talk by President, Developments in War Awaited by Wall Street.

By The Associated Press

NEW YORK, Sept. 4—It was more or less of a dawdle in today's stock market although scattered issues were highlighted by moderate strength and weakness.

Restraining the bullish urge was the lack of really good war news, the desire to await the President's talk on price-wage controls, continued tax confusion, more dividend and earnings casualties, and the inclination to keep commitments light because of the forthcoming lengthy Labor day holiday. All major markets will recess Monday.

The list was fractionally irregular. Dealings were slow and, while there were a few wide dips, especially among packing company stocks, variations generally were in fractions.

Western Union and Postal Telegraph preferred, among stocks, registered new highs for the year at longer. Occasional gains were posted for Chrysler, American Telephone, Chesapeake & Ohio, Dow Chemical and Montgomery Ward. U. S. Steel slipped at intervals along with Anaconda, Du Pont, General Motors and Pacific Telephone.

On the big board Armour of Illinois prior preferred recorded a sizable loss at a new bottom since 1940 in the wake of yesterday's dividend omission on this issue. Wilson & Co. preferred also fell substantially.

Helping depress the Packer stocks not only was the threat to stockholder disbursements, but thoughts of what this industry may have to contend with in the shape of mounting taxes, meat rationing and broadening price ceilings.

Norwegian manufacturers are experimenting with shoes having wooden soles and woven paper uppers for summer use.

Emergency connections have been invented to enable garden hose to be coupled to faucets lacking screw threads.

10 MORE ORDNANCE PLANT DEEDS FILED

Payments for Land in Area Start Again.

The following deeds for land in the Scioto Ordnance Plant area, and the money and land involved have been filed by the government in the office of the county recorder during the last week:

Charles Sutherland of Claridon township, 61 acres in Claridon township, $7,625; Charles D. Myers and others, 2.93 acres in Grand Prairie township, $299; Edson I. Smith, 40 acres, Marion township, $7,640; Philip Rush, 49.35 acres, Grand Prairie township, $4,770; Edith Grace Warner, 194 acres in Scott township, $20,218; Alonzo M. Owings, 66 acres in Claridon township, $13,037; George A. Seckel and Myrtle Seckel, 120 acres in Claridon township, $14,009; Helen Harvey, five acres in Marion township, $500; James E. Huggins and his wife, Grace K. Huggins, 217.42 acres in Marion township, $27,220; Lydia M. Foos, Clara M. Foos, Grover W. and Nettie Foos of Morrow county, 190 acres in Claridon township $22,344.50.

YOUR HEALTH

By LOGAN CLENDENING, M.D.

No Burden on Heart.

The term "athlete's heart" (once heard almost as much as "athlete's foot" is today) went out of fashion, partly because of lack of rigid definition, and partly because careful examination by modern methods of such hearts showed in most cases that the actual trouble was old rheumatic heart disease, hardening of the arteries or some condition not connected with the exertion of athletic competition.

Today with the tremendous extra strain put on the hearts of new recruits with the exercises, long marches and hardening process for military maneuvers, the concept requires some further definition.

Acute heart strain undoubtedly occurs. The causes are (1) occupational, (2) infectious, (3) previously existing heart disease, (4) age—over 40 there is less elasticity in the heart muscle and large arteries, (5) nervous strain or excitement, and most important (6) excessive exertion in lifting, pulling, straining, marching, running, carrying heavy loads.

The symptoms are sudden onset with pain or discomfort over the heart, weakness, shortness of breath and palpitation, and limitation of response on the part of the heart to exercise tests, rapid pulse, often enlargement of the heart (dilation) and pulse irregularity. The basic cause is probably overstretching of the heart muscle. Many doctors do not agree that there is any such thing, but at least all the signs disappear on rest and the quieting of apprehensions.

Does acute strain go over into chronic heart strain? That is what we want to know in connection with school athletics and military training. The heart of chronic strain may be defined, for purposes of argument, as an enlarged heart with a low reserve.

There is no question that unusual activity causes enlargement of the heart. Soldier's hearts are larger than civilians. Heavy laborers have larger hearts. Wild animals have larger hearts than household pets—the wild rabbit has a heart almost three times as heavy as a pen rabbit of the same weight.

But does this do any permanent harm? Probably not. Nor cause any unpleasant symptoms. Farrel studied 23 runners three days after they had reached New York from Los Angeles. They had averaged 41 miles for 84 consecutive days, yet only one man's heart was larger than when they had started and he was 64 years old and har been running for 40 years.

The conclusion seems to be that there is no such thing as chronic heart strain and that under military supervision the soldier's life puts no burdens on the heart.

Daily Pattern For Home Use

By ANNE ADAMS

Of course you can be SLIM—in a simple frock like Pattern 4003 by Anne Adams. Long side bodice sections, curved in front, together with back and front panelling, make you seem taller; narrower. Scallops at the neck and sleeves are optional.

Pattern 4003 is available in women's sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 takes 4¼ yards 35 inch fabric.

Send Sixteen Cents for this Anne Adams pattern. Write plainly Size Name, Address and Style Number.

Go All Out for Fashion—with our Fall and Winter Pattern Book, just off the press! Smart, easy-to-make styles for work, play, dress-parade. "Salvage specials." School outfits. Bridal wear. Pattern Book, 10 cents.

Send your order to The Marion Star, Pattern Department, 243 West 17th St., New York, N. Y.

Pitfalls of Love

By ADELE GARRISON

MARY CROSSED the room in a loping run and caught me in a crushing bear hug.

"The world's No. One Philanthropist!" she intoned, "with a mercurial rise of her spirits at my offer to see Noel for her.

"If anybody in the world can do anything with him, you can. Take my blessing with you, and I'm going to keep my fingers crossed while you're gone."

I went out feeling the contagion of her high spirits lift mine from the disconsolate conviction that my interview with Noel might prove fruitless.

Madge Explains

His greeting increased my doubt of success.

"You left Mary over there?" he said, accusingly.

"Yes, but for only a minute," I told him. "She is all right, and I wanted to see you for a minute to let you know that this latest triumph of Mary's ends the necessity for any further espionage on her part upon her leading man, who, I think, will be her leading man only a little longer."

"Thank Heaven for that!" he ejaculated fervently. Then his face darkened again.

"If my father doesn't kick him out soon, I'll save him the trouble," he said. "Every time I see, or worse, imagine that swine with Mary in his arms, even only in the play, I go absolutely berserk. I was going to tell her tonight that she couldn't go on again with him, but if you say he won't be there much longer—"

His voice trailed off and I spoke with decision.

"I am sure I can promise you that," I said. "Mr. Redfield is nearing the end of his rope. And I not only understand your feeling concerning him; I share it. I shall be as glad as you when he goes out of our lives forever.

"But—" I added after a pause, and Noel started as if the rowel-ing he had been given were to begin all over again.

Noel's Nerves Shaken

"I knew there was a 'but' in this," he said brusquely. "It was too good to be true."

"Don't be idiotic, Noel!" I said sharply. "I have told you the exact truth. Mary never will have to go out alone with Steve again, and her spying is ended. But since my father is not ready to cease his own watchfulness over Redfield, it is vitally important that Steve does not suspect anything yet for a short time."

"So what?"

"He wishes Mary—with Olina, never alone—to go with Steve for dinner once or twice more," I said. "That is all."

I put out my hands and grasped his shoulders, looking steadily into his eyes.

Pleads for Consent

"Dear boy!" I said tenderly. "I know how hard this is for you, but I wish for Marion's sake—and something bigger; the thing on which my father is working—that you would consent to this last thing my father is asking of you. Won't you be patient just a little longer?"

He waited, several seconds before answering, then said slowly:

"You say she won't have to watch Redfield any more, and that the only thing your father wants is to have her go to dinner with him and Olina?"

"That is all," I replied.

After another pause he asked explosively:

"What does Mary want to do about this?"

The Stars Say—

For Saturday, Sept. 5

WHILE THERE may be some thwarting, crystallized or postponing influence definitely to overcome by decisive action, direct attack and clever maneuvering, there are signs of a most progressive and productive day, on which big business may forge to high levels of accomplishment and gratification. Large interests are involved, and important personages and desired capital may be at hand.

Those whose birthday it is should have the vision, foresight and clever grasp of stagnant and obstructed situations to wrest progress and outstanding success from difficulty and depression. High aims and major objectives should thrive under clever and shrewd tactics, with the help of those of financial ability.

A child born on this day should be excellently endowed with mentality, acute insight, sound and logical efforts to wrest important success and progress from obstructions. It should be popular and respected.

Just Kids — By Ad Carter

HEY—MARJ'RY!
HOW DID YOU GO WITH POP'S WRIST? I BET YOU DID SWELL
MUSH STEBBINS—YOUR FATHER WOULD NOT LET ME BANDAGE HIS WRIST—SO I'M THROUGH WITH YOU FOR GOOD
I'M THROUGH WITH MARJ'RY FOR LIFE—SHE'S MAD, BECAUSE POP WOULDN'T LET HER BANDAGE HIS WRIST—OUR ENGAGEMENT IS OFF
AGAIN?
THAT MAKES TWENTY-FOUR TIMES THOSE TWO HAVE BECOME DISENGAGED IN THE PAST YEAR
